A MESSAGE FROM THE PRESIDENT

As we just wrapped up our first membership luncheon of 2022, where we showcased our 2021 new members, I am reminded that people are the heart of a wonderful community. In Clive, we are blessed with collaborative and astounding people who make our businesses so successful. You are also the key to success for the Clive Chamber. So, on behalf of the Clive Chamber, I want to thank you all for your wonderful support.

The Chamber's Board recently reviewed our 5-year strategic plan and all of our wonderful accomplishments since starting the plan. While we continue to be faced with new challenges, we have been able to adapt and grow even stronger. We are looking forward to 2022 where we will continue to focus on growing awareness of the Clive business community, supporting our current and new members and ensuring we continue to support our businesses by providing a business-friendly environment.

We look forward to celebrating Clive with you and seeing you at upcoming Chamber events very soon!

WHY BUSINESSES CHOOSE CLIVE

Location, Location, Location

Businesses benefit from Clive's centralized location and easy access provided by two major interstate systems (Interstates 235 and 80) and several main transportation corridors including University Avenue, Hickman Road, and N.W. 86th Street. Each of the main corridors carries between 25,000-30,000 vehicles daily. Clive also maintains two of the busiest intersections in the Des Moines metro area. The N.W. 100th Street/University Avenue and Hickman/N.W. 86th Street intersections carry approximately 100,000 vehicles daily, making Clive a primary destination for local and regional consumers.

Proximity

Historically, Clive served as a primary point for the railroad and coal mining areas. Today, its prime location is easily accessible from all directions of the Des Moines metro area as well as numerous regional metropolitan areas such as Chicago, Minneapolis/St. Paul, Kansas City, Omaha and St. Louis.

Opportunity

Clive businesses enjoy one of the lowest tax rates, and the community has the highest per capita income level in the metro area. Businesses seeking to cap their expenses and enhance their profit margins through a readily available customer base find Clive to be a perfect fit for their needs.

Qualified Workforce

A young, highly educated workforce awaits any business looking to locate within Clive. The community's median age is 35 with an estimated population of 17,500 after the 2015 census. Clive's residential base maintains an extremely large number of advanced degrees in the state, second only to Iowa City.

Quality of Life

Clive tops the lists of relocation options for a number of reasons: low residential taxes, high-quality educational systems, a vibrant public art initiative, and an exceptional offering of parks and recreational areas surrounding one of our best features, the Clive Greenbelt Trail system. "Clive Pride" is evident throughout the community from our clean, friendly neighborhoods to the beautiful streetscape project along N.W. 86th Street.

Please contact the Clive Chamber of Commerce at (515) 222-5295 or info@clivechamber.org with any questions you may have regarding relocating your business within Clive. We would welcome the opportunity to show you what makes Clive a community of distinction where your business will grow and prosper.

PRESIDENT'S CLUB GRANTS

Big Brothers Big Sisters of Central Iowa (BBBSOI)

received a \$500 Clive Chamber President's Club grant to help support their Defending the Potential of Youth in Clive project. The grant will go towards supporting their mentoring programs that serve youth

living or going to school in Clive. These programs include school and community-based programs where bigs spend an hour helping their little with school work, playing educational games, reading together, playing outside or going to a sporting event, art class, etc. BBBSOI's programs benefit the Clive Community by empowering youth to reach their full potential by creating meaningful mentor relationships, improving graduation rates, and ensuring youth have the education they need to enter the workforce and become productive citizens, while also improving the economy of central Iowa by giving little ones the skills to enroll in a university or be successful in the workplace.

Clive Fire and Police received a \$500 Clive Chamber Presidents

Club grant to put towards the purchase of a public safety drone. On July 5, 2020, the Clive Fire department discovered that the infrared capabilities on a drone

were a necessity when dealing with an explosive in a fire container. Infrared capabilities also assist with surveillance operations, suspect identification, documentation of crime scenes, and motor vehicle accident scene reconstruction. The purchase of the drone will allow a drone to be accessible to police and fire departments 24/7.

Girls on the Run received a \$500 Clive Chamber Presidents Club grant that will provide financial assistance to residents of Clive for the Girls on the Run program and participation in the Girls on the Run 5k.

Girls on the Run inspires girls to be joyful, healthy, and confident using fun experience-based curricula that creatively integrates running. Participants of the program learn life skills such as how to handle emotions, how to build healthy relationships and what it means to give back to your community while becoming more physically active. The grant went to help ease the financial burden and barrier to quality youth-development programming.

Clive Community Services (CCS) received a \$500 Clive Chamber President's

Club grant to support their efforts in improving the community clothing closet. Before the grant, CCS had stacks of plastic totes to store off-season

clothing. This system was found to be highly inconvenient and made it difficult to access what they needed. With the grant funding, they plan to purchase ten shelving units to split between the two closets to make the clothing more accessible. Clients of CCS range from immigrants to individuals to families in need. Clothing is often found to be a need of persons who use Clive services. Donations are usually dropped off out of season; therefore, the need to store the clothing and save it for when citizens need it is important. Having the storage shelves will readily and efficiently allow Clive Community Services to serve their clients' needs.

THANKS FOR TRUSTING US, CLIVE.

MAYOR & CITY COUNCIL

Welcome from the City of Clive!

Clive is a distinct city to live, play, and raise a family. Known for our beautiful Greenbelt Park and Trail, which runs the length of the city, residents and businesses consistently give Clive the highest marks for safety, care for natural and open spaces, value for taxes paid, and trust in their municipal government.

Clive has almost 20,000 residents and is located at the crossroads of two interstate highways (35 & 80). Its central location in the Des Moines metro area creates easy access to work, world class art and culture, exceptional schools, and we're currently developing hundreds of acres for residential and commercial projects.

Clive offers rich community amenities while honoring its tradition of fiscal responsibility. Our households in Polk and Dallas counties have some of the lowest combined tax rates in the Des Moines metro for families.

A wide selection of printed materials is available for checkout, but there are also many nontraditional items as well, which cater to a diverse community's need to keep learning and growing. The Clive Public Library serves as a community hub with features such as a computer lab, many study and meeting rooms, as well as spaces for youth and teens to discover, play and learn. Stop by the Clive Public Library at 1900 N.W. 114th St. with a form of identification to get your library card today!

The City of Clive was one of the first metro communities to establish a community Public Art Commission in 2007. Public art plays a significant role within the community by encouraging civic pride, adding artistic distinction to important areas, and enhancing the aesthetic education and appreciation of both residents and visitors of Clive.

The City of Clive is home to several permanent commissioned artworks that celebrate community pride as well as community history. "Art Along the Trail" features nine artworks annually in a temporary exhibit along the Clive Greenbelt Trail and in several Clive parks. The exhibit runs from April through November, and new artworks are featured each year.

CITY AMENITIES

Clive's tagline, "Distinct by Nature," is truly accurate when discussing the community's many parks, green spaces, and the exceptional Greenbelt Trail. For easy access, the Greenbelt Trail includes trailheads at N.W. 86th St., N.W. 100th St., Campbell Recreation Area, and Wildwood Park. The trail is open for use year-round, as snow is removed from the trail during winter months. Twenty-three parks are located within Clive's city limits, which totals 527 acres and 19 miles of multi-purpose recreational trails, providing a beautiful backdrop to enjoy a variety of activities. Additionally, the Clive Greenbelt Trail connects to the larger central Iowa trail system, with uninterrupted access to destinations across central Iowa. In 2021, bicycle rentals will be coming to Clive, with the addition of two bicycle stations at the Clive Aquatic Center and at Campbell Park. These stations will be stocked with rental bicycles that can be checked out at any time.

The recreation division also plans and manages a wide range of recreation programs for all age groups from preschoolers to active older adults. This means that residents and visitors alike are given the opportunity to participate in a number of sports and activities throughout the year. Campbell Park holds adult softball and sand volleyball leagues as well as youth sports throughout the summer, which demonstrates how the City of Clive provides something fun for everyone.

The Clive Aquatic Center is an outdoor facility that is open during the summer, making it a community asset that provides a place for people to come together and cool off on a warm summer day. The facility features a zero-depth entry leisure pool, a 315-foot lazy river, a six-lane lap pool, three water slides, and a children's spray ground. The aquatic center also offers swimming lessons for young children through adults each summer. Additionally, the aquatic center is available to be rented out for special events. To learn more about hours, rates for rental, or other specifics about the aquatic center, you can visit their website www.cityofclive.com. The Clive Aquatic Center's opening date for 2022 is projected for Memorial Day weekend.

WEST DES MOINES COMMUNITY SCHOOLS

Hello Clive Residents,

In the West Des Moines Community Schools (WDMCS), one of our distinct values is community. This means we not only teach our students, but build relationships and connect with them. The many strong communities our district serves, including Clive, have been great examples of how communities can support their residents.

WDMCS have inspired joy in learning for more than 100 years. Our district strives to be a caring community that knows every child as an individual, gives them a voice, and offers them a place to belong. With approximately 9,000 students, around 1,200 employees, and 13 schools, we can provide every student with the opportunities and resources they need to succeed — from 1:1 devices to award-winning art programs and a project-based learning pathway.

As superintendent, I am committed to providing our students powerful educational experiences through personalized learning, exceptional educators, and a comprehensive curriculum at every level. Our school community has come together to help our students achieve great successes by developing essential skills for exploring post-high school graduation education and internships, an evolving workforce,

WEST DES MOINES
COMMUNITY SCHOOLS

and whatever comes next in life. A WDMCS graduate will possess the essential skills and integrity to communicate, collaborate, and solve problems as a confident citizen, embracing our diverse and changing world.

We welcome and invite Clive community members to learn more about us as we continue to pursue our mission of educating responsible, lifelong learners who will have the knowledge, creativity, sense of self-worth, and values to contribute to and thrive in our community and beyond.

Sincerely,
Superintendent Lisa Remy, Ed.D

WAUKEE COMMUNITY SCHOOL DISTRICT

Waukee Community School District is the seventh-largest district in the state, serving more than 11,900 students from Clive, Urbandale, Waukee and West Des Moines living in the 55 square miles of our district boundaries. Waukee students currently attend school in nine elementary buildings, four middle-level buildings, and two comprehensive high schools.

Our second high school, Northwest High School, opened in fall 2021, and our 10th elementary, Sugar Creek Elementary, will open this year.

As we navigate continued growth and various learning environments, our district is committed to removing the barriers that may impact student progress and achievement by providing the necessary tools, opportunities, and increasingly advanced instruction at all grade levels. One part of our commitment to equity and student achievement includes the district's recent transition to one-to-one, issuing a technology device to each K-12 student.

We want to continue partnering with families to prepare every child for success after high school. Even as we grow as a district, learning and doing what is best for each of our students will always be our primary focus.

We have many exciting things happening and invite you to get involved with our schools. Be informed, join the excitement, and partner with us!

Sincerely,
Dr. Brad Buck, Superintendent
