WELCOME

A comprehensive resource designed for you!

Welcome to the Norwalk Source. This annual guide for Norwalk residents is styled by the publishers of Norwalk Living magazine and paid for by the local businesses that advertise in these pages. It's designed for easy readability and offers quick answers to common questions. Keep this community resource handy all year long; you'll be glad you did.

In the pages that follow, you will find answers to day-to-day questions that come up in the community, but this is more than a standard directory. The Norwalk Source offers information about your city council and school board representatives, listing of area churches and information about local events planned for the upcoming year.

Please remember to patronize the local businesses and advertisers that helped make this effort possible. They know you have many

options on how to spend your hard-earned dollars, and your loyalty is appreciated. We are a small business, too, and we value the long-standing relationships we have built.

If you would like additional copies, contact our distribution manager, Mike Chiston, at 515-953-4822 ext. 304 or email mike@dmcityview.com.

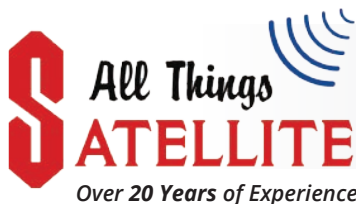

Of course, things change a lot within a year, so be sure to contact the individual groups listed here for updates. If you notice any errors or omissions, or if you have ideas on something new you'd like to see, please contact our editor, Tammy Pearson, at 515-953-4822, ext. 302 or tammy@iowalivingmagazines.com.

And don't forget to keep this guide where you can easily find it and refer to it often. Norwalk has a lot to offer, so get out and enjoy it! ■

FROM THE CITY MANAGER

Norwalk continues to see a stable growth pattern reflective of the Des Moines metro area with 13% new taxable growth and 29% overall growth due to TIF expiration. Similar to the past two years, Norwalk will have the opportunity to lower the tax levy (please note that a lower levy does not mean a lower tax bill — there are many factors that influence property taxes). Norwalk also has plans for several large projects to advance in FY24. Here is a summary of our major projects:

- Norwalk Central & Athletic Complex (\$12.8 million).
- Street reconstruction and asphalt overlays and traffic signal projects (\$12 million). This includes \$1.4 million in grants from the IDOT and MPO. Beardsley and Highway 28, Chatham and Highway 28 signals and street maintenance throughout the community.
- \$4.4 million for the Certified Site Infrastructure.
- Water and sewer infrastructure projects (\$4.2 million).
- Norwalk new urbanism with potential LMI component (\$1.7 million).

We look forward to advancing these enhancements to our community along with many others for Fiscal Year 2024.

Status update of Vision 2028

• **Tight Knit Friendly Neighborhoods** – Norwalk has participated in community efforts to engage the public, such as Front Porch Norwalk, July Fourth celebration and Music Fest. The City has also created “Taxpayer Talk” YouTube videos that seek to briefly summarize a topic of interest to citizens.

• **Safest City in Iowa** – Norwalk continues to place at the top of “safe city” ratings across Iowa and the United States.

• **Trails** – Completed two connections to the Great Western Trail, the third phase began in 2022 and is scheduled for completion spring 2023. Funds were budgeted in the current year for school trail gap connections, and the City anticipates similar improvements in the next several years.

• **Norwalk Central** is a public-private partnership that will include a sports complex with both indoor and outdoor athletic amenities. The surrounding area will include commercial, retail and residential developments and is estimated to increase taxable value by \$40 million by 2030.

• **Mixed-use developments** – We are at the beginning stages of a project called Norwalk New Urbanism. The goal of this program is to welcome mixed density development with some integration of workforce housing. The intention is that this housing will spur surrounding commercial development.

Manager's budget message

• **30% Property Tax Revenue from Commercial** – Since 2021, the City has increased commercial tax revenue by 3%. The City is leveraging that commercial value to help introduce additional commercial projects. Current projects include the Certified site 2.0 with three light industrial buildings, two hotel projects and sports facilities as well as other retail/commercial in Norwalk Central.

• **Increase Quality Jobs** – Several new commercial developments are in process or are being negotiated and will include retail, hotel, restaurants and athletic facilities.

I look forward to another successful year for the City of Norwalk. ■

**MOVING
IN 2023!**

Q: What is included in my monthly utility bill?

A: All or some of the services included in your bill are water, sewer, storm water, trash and recycling. Water meter reading begins each month on the first business day, and bills are mailed around the 15th of each month. Payment is due on the fourth.

Disconnection notices are sent on the 11th of each month. If no request for a financial arrangement has been received and no payment has been received, water is shut off on the 25th of each month.

Q: Can I pay my utility bill online?

A: Yes. Customers can sign up for Xpress Bill Pay at www.xpressbillpay.com/#/?org=norwalk10505 to make payments online or set up automatic payments. Customers can also download the new Xpress Bill Pay app to their phone.

Payments can also be made by cash, check, credit card or money order. Payments may be dropped off or mailed to City Hall.

Q: When is garbage picked up?

A: Garbage is picked up Tuesday at homes west of Highway 28/Sunset Drive and Wednesday east of Highway 28/Sunset Drive.

Large items and extra trash are collected on garbage day from the curb with the appropriate stickers. (No call ahead needed.) Schedule appliance pick-up with the hauler and apply appropriate stickers.

To start/stop service, call Norwalk City Hall, 515-981-0228. For information about carts or missed pickup, call Metro Waste Authority at 515-244-0021. Residents can also take garbage to Metro Park East landfill.

Spring Cleanup is May 15, 2023.

Q: Is recycling picked up curbside?

A: Yes, it is. Metro Waste Authority manages Curb It!, the curbside recycling program, but contracts two important functions. Waste Management collects the recyclables from the curb, and Mid America

Recycling sorts and resells them.

For information about collection, call 515-244-7336. Collection Day is Tuesday for those west of Highway 28/Sunset Drive and Wednesday east of Highway 28/Sunset Drive.

Q: Is yard waste picked up?

A: Metro Waste Authority manages Compost It!, the curbside yard waste collection program and contracts with Waste Management to collect the yard waste during spring, summer and fall. The regular collection season for 2023 is April 3 to Nov. 25. A limited winter collection is scheduled for Jan. 1-12, 2024. Yard waste is collected Tuesday west of Highway 28/Sunset Drive and Wednesday east of Highway 28/Sunset Drive. For information about collection, call 515-244-0021. To start service, call Metro Waste Authority, 515-244-0021. Residents can also take yard waste to Metro Park East to be made into compost.

CITY FAQs

Q: What requirements are there to use the Dog Park?

A: Dogs must be licensed, and you must have a dog park pass to use the Dog Park. Visit City Hall for applications or go online at <https://city-of-norwalk.mybarkpass.com>. All applications require proof of vaccination and spayed/neutered records. The licensing renewal period begins Dec. 1 and runs through July 1. Licenses expire Jan. 1.

Q: Can we have chickens in town?

A: Yes, but limitations are in place. Only residents in R-1 zoning districts can have chickens. They can have no more than four chickens, cannot have roosters and cannot slaughter chickens. Regulations are also set

for the allowed enclosures. Permits for the chickens and for building the enclosure are required. See City Hall or the City's website for more information.

Q: Is open burning allowed?

A: Open burning of garbage is not allowed. Recreational fires are allowed in some circumstances. When allowed, the fire must be used for cooking, heating, recreation or ceremonies and must be contained in a fire ring or commercial device meant for containing a recreational fire. See City Hall or the City's website for more information. The City Code may be viewed at codelibrary.amlegal.com/codes/norwalkia/latest/norwalk_ia/0-0-0-1.

2251 Sunset Drive Unit 4, Norwalk • 515-954-4701

Q: What are the rules about street parking in case of snow?

A: When the City issues a snow emergency, parking is not allowed on public streets, alleys or City-owned off-street parking areas. Remember, too, that property owners must clear sidewalks of snow and ice within 24 hours of it accumulating or the City may do so and assess the costs.

Q: What does the City consider a nuisance?

A: According to Norwalk City Code, a vehicle must be parked on a hard surface and cannot be parked in a person's yard. The maximum allowed grass height is 8 inches. Excessive garbage, debris and other waste is

not allowed. Dead or diseased trees must be removed.

If you want to report a nuisance, complete the online nuisance report at www.norwalk.iowa.gov/citizen_request_center/nuisances.php. If you have questions or comments about the nuisance code, call 515-981-9530. If you have an immediate health or life safety concern, please contact City Hall directly by calling 515-981-0228 or by dialing 911. ■

ECONOMIC DEVELOPMENT

The Economic Development Department handles a variety of business initiatives and development aspects for the City of Norwalk, such as: new company recruitment, business expansion assistance, project management and development agreements, incentives programs, property locating/site selection and infrastructure assistance, statistics and demographics, grant writing and financial programming, research and marketing, communications/public relations and marketing, community enhancement programs, and foreign relations.

Since the Department was established in 2017, the City's commercial and industrial tax base has increased by 121%, adding an extra \$54 million in taxable value. In this same timeframe, more than 50 new businesses have opened resulting in more than 1,000 new full-time jobs in the community. Norwalk also had the first Certified Site in the state

of Iowa to reach capacity with Windsor Windows and Michael Foods adding more than 300,000 square feet of new light-industrial space.

Economic Development established Norwalk's first official international designation with the Sister-City partnership in Vushtrri, Kosovo and manages the state-to-nation program. The department also administers the Commercial Improvement Grant Program, High Quality Jobs Grant, Veteran's programs, and the First-in Commercial Development Incentive Program.

For more information about available sites, developments, incentives, and business or community programs, visit the Economic Development page at norwalk.iowa.gov/departments/economic_development or email the Economic Development Director at HollieZ@Norwalk.Iowa.Gov. ■

HOW TO RIDE

1

Schedule a ride

Call us at 1 (877) 686-0029 or email erides@ridehirta.com and let us know the date, time, and destination of your ride.

You may also use the HIRTA On Demand smartphone app to schedule, cancel, and pay for rides on-demand!

2

Get on the bus

Be ready for your ride at least 10 minutes early. The driver will assist you if needed, just let us know! When your bus arrives, board the bus and pay the fare.

3

Enjoy your trip!

All passengers must be seated with their seatbelt secured. If you use a wheelchair, scooter, or need additional assistance, our drivers will make sure you are secure.

HIRTA PUBLIC TRANSIT

HIRTA is a 100% ADA-accessible public transportation system available in Norwalk and Warren county!

For more information or to schedule a ride, contact us today!

THE PERFECT LOCATION

The City of Norwalk shares borders with neighboring cities of Des Moines and West Des Moines, while serving as the closest suburban community to the Des Moines International Airport and Valley Junction. Norwalk features beautiful new residential neighborhoods, Lake Colchester, world-class schools, and some of the best golf courses in Iowa.

Ranked "Safest City in Iowa" several years in a row, Norwalk's median household income is the third highest in central Iowa, and it has one of the lowest unemployment rates in the nation as well as being one of the fastest-growing cities in Iowa.

In addition to the Des Moines metro's key industries, Norwalk is primed for retail development. There are multiple commercial

and retail developments underway in the city and shovel-ready sites are still available for new projects. With the Highway 28 corridor running through the middle of Norwalk from West Des Moines (63rd Street) and the main metro connector Fleur Drive extending along Norwalk's eastern borders, the remaining commercial sites are incredibly valuable.

Some of the metro and national companies that recently chose to expand their businesses in Norwalk are Luana Savings Bank, Mahalo's Coffee & Donuts, Windsor Windows, Mercy Clinics, UnityPoint, Jimmy John's, Michael Foods, 1908 Draught House, Arby's, Jones Family Dental, Johnson Orthodontics, RC Dermatology, Athletico, Northern Lights Pizza, Starbucks, Fareway, and Scooter's Coffee, to name a few. ■

BUSINESS & COMMUNITY-BASED PROGRAMS

Business/Commercial

The City of Norwalk offers commercial building grants for façade and value-added facility improvements. Buildings must be within Norwalk city limits and be at least 10 years old. Grants available are from \$1,500 to \$50,000 for qualifying projects. Matching funds are required.

Demolition expenses for dilapidated structures can now be included in the application for this grant (project must include future commercial development on razed site). Funds can also be used to convert residential properties that are located in commercial areas into commercial facilities.

In addition to the Commercial Improvement Grant Program, the Economic Development Department also offers a High Quality Jobs Grant to employers that meet certain criteria when adding new full-time positions, and the First-in Incentive program

for new commercial projects that get built first in a larger undeveloped area and require new infrastructure.

The City of Norwalk also provides a Five-Year Graduated Tax Abatement program for new commercial structures built in Norwalk. Contact the Economic Development office or City website for details about the above-mentioned grant and incentives programs. ■

Veterans

The Home Base Iowa program helps veterans move to Iowa and find full-time employment. The program has many benefits for veterans who are recently separated from the military or returning from deployments. Norwalk and Warren County are Home Base Iowa Communities, which adds to the statewide benefits package for veterans who move to, or work in, Norwalk. Many of Norwalk's businesses are committed to hiring veterans and regularly post available positions.

The Norwalk Economic Development Department also offers a \$5,000 grant to any veteran or veteran spouse who opens or physically expands a business in Norwalk. For more information about this program, go to www.homebaseiowa.gov/warren-county-veterans-resources or www.homebaseiowa.gov/business/city-norwalk or contact the Economic Development office. ■

Foreign Relations

Norwalk is one of the few Iowa cities to hold an official international designation. Norwalk is Sister-City with Vushtri, Kosovo, and has a close working partnership with the Kosovo Consulate in downtown Des Moines. The Norwalk Foreign Relations Committee was created to engage local residents with the international initiatives of the City. Norwalk and Vushtri are currently working on projects that will provide opportunities for business and trade, education and youth exchanges, government and public safety programming.

For more information on Norwalk's international initiatives, contact the Economic Development Department or email Hollie at HollieZ@norwalk.iowa.gov or Jaki Livingston at JakiL@Norwalk.Iowa.Gov. ■

515-981-4269

Delivering care to Norwalk for over 40 years.

COMMUNITY DEVELOPMENT

The Norwalk Community Development Department handles the development and building process for the City. The process starts with the long-term planning of land uses, infrastructure and other City amenities. Land is then developed through the zoning, subdivision, and site development of property. Finally, a building permit can be submitted for the construction of various structures.

Building permits through the City can be sought for many different structures, from new commercial buildings and new houses to remodeling projects, sheds and pools. Staff in the department also conduct inspections of various permitted projects to ensure safety of structures and compliance with City codes.

The various uses of property are handled through the City's Zoning Ordinance, which is administered by the Community Development Department. Questions on allowed uses and locations of structures can be directed to the Department. The Department also assists with the requested changes to zoning for property owners.

Lastly, the Community Development Department handles all property nuisance complaints for the City. Complaints can be called in, emailed, or submitted online via the City website. The Department staff investigates all property nuisance complaints and issues any corrective actions needed.

The Community Development Department can help residents work through any new projects. For information on development and building within the City, call 515-981-9530. ■

ENJOY NORWALK'S PARKS

Billy O. Phillips Park

Reservations

Ballfields, the aquatic center and shelters can be reserved. NO alcohol is allowed in any of Norwalk's parks. Reservations can be made online at norwalkparks.activityreg.com/selectfacility_t2.wcs. The website includes a list of amenities offered at each park as well as the rates.

Billy O. Phillips Park

2500 Lexington Drive

Features: restrooms, playground, open air shelter (available for reservation), picnic tables.

Brownie Park

805 Cherry Parkway

Features: a butterfly garden, white picket fence and an arbor that greets visitors entering the park from Cherry Parkway. A wooden porch-style swing hangs from a matching arbor just past the butterfly garden. Play a game of checkers on the picnic tables or hopscotch as you walk down the trail past the fairy garden and through the Magnolia Arboretum. There are no restrooms at the park, but enjoy a walk over to the library for facilities and parking.

City Park

907 North Ave.

Features: restrooms, playground, basketball courts, picnic tables, shuffleboard courts, old railroad car, open shelter house with picnic tables.

Dog Park

907 North Ave.

Features: two fenced areas, one for small dogs and one for larger dogs, and water fountains. Pass required (purchase at City Hall, 705 North Ave.).

Elizabeth Holland Park

1401 Colonial Parkway

Features: two fishing ponds stocked by the DNR, 0.86-mile trail with lighting, art sculptures. Future additions will include an enclosed shelter with restrooms and additional parking.

Norwalk McAninch Sports Complex

200 Wright Road

Features: two youth baseball fields, two youth softball fields, two adult softball fields, 23 soccer fields and multi-use green space including concession and restroom

areas. Field space is available to rent for tournaments, league play, scrimmages and practices, etc.

McDonald's Woods

1401 Holly Drive

Features: a forest-like setting with trees and picnic tables. To access the parking lot, use Holly Drive south of the park.

Norwalk Outdoor Ice Rink

907 North Ave.

The Ice Rink is open for skating during the winter, when weather permits. A color system will be used to inform the public of skating conditions. A traffic signal (stop light) has been installed at the Ice Rink. A green light indicates the rink is open and conditions are suitable for skating. A red light indicates the rink is closed. The Ice Rink is closed when posted due to weather, ice conditions or maintenance if there is damage to the rink or if the ice has melted.

Warrior Park

511 Orchard Hills Drive

Features: restrooms, preschool playground, NFL Play 60 Challenge Course (one of three in the Midwest), open air shelter, trail connection to Orchard Hills Elementary, pond stocked by the DNR, limited parking.

Windflower Park

1915 North Ave.

Features: the Norwalk Aquatic Center, playground equipment, walking path, 12-hole disc golf course, double-wide basketball court, skateboard park, open shelter house with an enclosed kitchen and restrooms.

Norwalk Aquatic Center

1112 E. 18th St. • 515-981-4002

Open Swim Hours: Monday-Friday: 1-5 p.m. and 6:30-8:30 p.m.; Saturday and Sunday: 1-5 p.m. and 6-8 p.m. Lap Swim is 12-1 p.m. and 5-6 p.m. daily for all ages.

NORWALK COMMUNITY SCHOOLS

A Note from the Superintendent

Norwalk is one of the fastest growing and successful districts in Iowa. Student proficiency often exceeds 90%. Norwalk is annually recognized as one of Iowa's top 25 schools for advanced placement participation.

Norwalk claims three Iowa Teachers of the Year, two Principals of the Year, Technology Leaders of the Year, Central Office Administrator of the Year, National Milken Educators, among many others. Four Iowa Hall of Fame coaches and one National Hall of Fame coach spent exemplary careers at Norwalk. The band and chorus perennially win Division I ratings and lead an outstanding arts program. Alumni Brandon Routh ("Superman"),

Jason Momoa ("Aquaman," "Game of Thrones"), Joel Hanrahan (former MLB All-Star) and thousands of other successful graduates make positive contributions to their community, state and nation.

The community supports bond issues and participates actively in planning. This cooperative spirit resulted in an international award for "Innovations in Sharing" between the Norwalk District and the City. Norwalk was also rated as a "Top 100 Iowa Business" by The Des Moines Register.

Come to live and grow with Norwalk Schools. "Be a Warrior!" ■
