Welcome TO ALTOONA!

In 2006, my family lived in Venbury. At the time, we had two young children attending school at Clay Elementary. I remember regular takeout dinners from Claxon's or a fun night at Fireside, if we were lucky enough to get a sitter. My oldest son and I were recently reminiscing about him having a day off from school and lunch at Sugar Shack. Altoona is a great place to grow up, a great place to raise a family, and a great place to rest with years of memories and grandkids to keep us company.

Memories like this go back to days in town with my father. Memories of good times, and probably a little more trouble than the average kid in high school. I remember the teachers I knew, neighbors, and friends made in different stages of life.

What I get from looking back is the knowledge that Altoona is an amazing place for our families. Altoona had that same personality

when the Yount horse farm was the edge of town. It has the same feel now after growing into a small city. At its core, Altoona hasn't changed that sense of community that makes it family-friendly, but it has added a few things in recent years...

Wondering what it would be like to grow up here now, I'm not gonna lie — I'm a little jealous. Adventureland has about 20 more awesome rides. The high school football team just won the first two 5A championship games in state history. Let's not forget baseball, wrestling, Rhythmettes — and I just heard the show choir won a competition last week. My mom was President of Music Boosters in 1995; I called her as soon as I heard.

For your family, Altoona is offering the best entertainment in Iowa: Prairie Meadows (take the kids to watch the horses), Cinemark Theater, The Burger Shed, Bass Pro Shops...

and so many more! The Outlets of Des Moines are a huge addition to the welcoming family atmosphere and experience Altoona offers.

When I set aside my envy of the kids' experience these days, I find pride in this place. I look at the amazing accomplishments of our youth, the schools that support them, the city staff that help us bring amazing new projects to town, and the many business owners who give it their all to keep a good thing going every day.

Altoona is an incredible place to bring your family, whether you're here to find a home or just a fun night out. I can't think of anywhere else I'd rather be. ●

Why WE INVEST ★★★★★

As a member of the Altoona Chamber for over 25 years, I am grateful for the opportunities it has given me personally and professionally. Over the years, my team and I have been involved in planning and sponsoring a variety of events through our membership as well as serving on Chamber committees and on the Chamber Board.

Investing in the Chamber through our sponsorships and volunteering at events has given us the **OPPORTUNITY TO SERVE OUR COMMUNITY** as well as get to know other business leaders and the people of Altoona. Building relationships with other Chamber members has led to mutual support of local businesses through patronage and referrals.

Advanced citizenry is a passion of mine. Being a part of the Chamber provides opportunities to give back and to shape the future success of our community. We love being a part of supporting our local schools, the Altoona Police Department, the Altoona Fire Department, and other community civic groups.

MARK VANDER TUIG

When I made the decision to move my business from Clive to Altoona in October of 2020, I knew one of the first things I needed to do was join the Altoona Chamber. I had not yet been involved in one but knew enough people and businesses that were in this organization to know that I needed to be a part of it. And let me tell you, it was THE best business decision I made! Within the first month, I was asked to be part of a panel of women that align with the values of what Wholistic Health Center supports and promotes. These women have inspired me both personally and professionally, and I cannot be more proud to know and work alongside them with the continued support of the Altoona Chamber. The opportunities to network in the AACC are abundant! I did not realize the **SCOPE OF INVOLVEMENT AND RELATIONSHIPS** that would be gained from being a member of the Chamber. This organization has given us so much, and we are honored to be able to give back by sponsoring, and participating, in the events in our community. We are now in our third year located in Altoona and our business continues to see new faces and many changes as we grow. What started out as a nurse with a passion for helping others and holistic health, sharing a room with a chiropractor in Clive, with zero patient base, has now grown into an amazing team of eight, almost 2,000 square feet of office space, three additional detox services, a massage therapist, more than 1,000 followers on social media, and hundreds of patients with incredible changes to their health. We look forward to each day that we get to make a difference in this community thanks to the Altoona Area Chamber of Commerce.

Mayor's LETTER

The year 2022 brought new challenges and rewarding opportunities. Jeff Mark retired after 25 years as a wonderful city administrator and left some big shoes to fill. Randy Pierce was named our new city administrator after serving as the finance officer for more than 20 years. He has done a fantastic job guiding the city in his newly appointed role.

The year also brought us to fully staffed levels on our Police and Fire/EMS departments. I was reminded today by Fire Chief Ogbourne, they will be fully staffed when we hire two more AFD members this July, which is in the budget. So, we are very close. This is great for the community, and the credit goes to leadership of our city council, our Chief of Police Greg Stallman and our Fire Chief Jared Ogbourne.

We wrapped up many successful projects in 2022. We finished up phases of our water line replacements in the older parts of town. This will continue through 2023 as well. We completed the widening of First Street North and the roundabout was opened, allowing the free flow of traffic, which was greatly needed. Anyone who knows me, knows I love roundabouts. Those who don't feel so positive, I hope you give them a chance. Many studies show the advantages in safety and efficiency. First Avenue to the south will start this year. It is going to cause many inconveniences but will be worth it when it is finished. Ninth Street to the east was another successful project wrapped up in 2022 and will help us to continue to grow to the east. Phase

two of this road upgrade will continue this year. We will also be wrapping up a regional sewer and water tower project in the northwest part of town out by the Meta Data Center complex.

Our first full year of Terrace Hills Golf Course, run by Rocky Sposato and his team, was a huge success, and we look forward to building on the momentum this year. We also had a successful opening of the Townsend Community Center which is managed by the Altoona Campus.

Our community will continue to grow in 2023. The decision from the Southeast Polk Community School District to build a new 6th/7th building east of Sam Wise Sports Complex off 14th Avenue S.E. will come with some challenges for the city. We will need to complete infrastructure upgrades to handle the new traffic levels, but we are up for the challenge and welcome this new addition to the community. We appreciate your patience.

Texas Roadhouse has been a great addition to the community. It sounds like we are keeping them very busy out there. We are very happy to add them to our already wonderful list of eating establishments here in Altoona.

Mister Car Wash and a new Honda Dealership will open this year in the Prairie Crossing area. The Outlets of Des Moines have added numerous new retail locations for more shopping opportunities. Make sure to check out Visit Altoona's website for all of your entertainment and dining information.

We'll be adding parking and a boat launch at

the new Spring Creek lakes this year that will allow for future access to kayaking, fishing and more — giving rise to more amenities for the citizens of Altoona.

It looks to be a busy year here in Altoona, with many activities in the works. Last year, we brought back the Fourth of July parade. It was wildly successful, and we plan to make it an annual event. Hope to see you all there this year.

I want to thank the Chamber of Commerce for their hard work with the businesses in the community. We appreciate and need to support local businesses whenever we can.

As the mayor of this wonderful city, I am grateful for the citizens and businesses that call Altoona home. It is the people that make a place great. All of you make Altoona the very best place to live, work and play. Thank you all and have a wonderful new year!

I am very excited for 2023 and the future of the City of Altoona. Staff, Police, Fire, City Council, and all the boards and commissions are working together to create a business-friendly community. We are proud of what we have accomplished and are working hard on our vision for the future. May your 2023 be peaceful and successful. ●

Southeast Polk School District

SEP School District Vision & Mission **LEARN. LEAD. LIVE.**

Success for college, career and civic life. Engage all students in learning a challenging curriculum delivered through quality instruction.

Southeast Polk School District is an exciting place to be! Located in the vibrant, growing, and thriving central Iowa area, we are a community of communities offering endless academic, career, entertainment, dining and shopping opportunities.

Our growing district serves more than 7,000 students from kindergarten through 12th grade and is projected to continue to flourish. We serve the communities of Altoona, Pleasant Hill, Mitchellville, Runnells, Des Moines and surrounding areas, covering 114 square miles in southern Polk County. We employ roughly 1,031 talented professionals.

RICH IN TRADITION

The Southeast Polk School District has a rich tradition of community pride. Our mascot is the RAM, an acronym made from Runnells, Altoona and Mitchellville — the three original communities with high schools that consolidated in 1961 to make the Southeast Polk Community School District.

Our district is committed to fostering academic excellence and leading students

to succeed in college, career and civic life. We engage all students in learning a challenging curriculum that's delivered through quality instruction by our exceptional staff. We consistently have one of the highest graduation rates in the state and offer multiple opportunities throughout our students' academic careers to advance to post-secondary education, apprenticeship, or the military immediately following graduation.

AWARD WINNING

We pride ourselves on providing quality learning experiences to build the foundation for future success. Three of our elementaries have won the National Blue Ribbon Award. One of our very own elementary teachers was chosen as the Iowa Department of Education 2023 Teacher of the Year. Two of our teachers were selected as National Project Lead the Way (PLTW) Winners. The SEP District was honored as just one of 18 districts

across the nation as a Professional Learning Community (PLC) Model District. Starting with our youngest students all the way through graduating seniors, we offer opportunities to strengthen core academic skills, collaborate with others to solve problems and create new ideas utilizing multiple resources, including the latest technology.

We are a leader in the state in providing our students at every grade level with Science, Technology, Engineering and Math (STEM) education. We offer a variety of unique learning opportunities including our Environmental Learning Center, available through a partnership with Metro Waste Authority and Drake University. Students participate in hands-on learning and research opportunities on the acres of land in the Camp Creek watershed, building the skills they need to be the next generation of problem solvers and thoughtful land stewards.

GROWING TO MEET OUR COMMUNITIES' NEEDS

As our district continues to grow, we challenge ourselves to ensure that our students receive the highest quality education. We are thrilled that our communities voted to pass the 2020 Referendum. This bond includes several new buildings and making improvements to existing facilities. Every classroom was upgraded with state-of-the-art teaching technology to start the 2021-2022 school year. Our new multi-purpose stadium will benefit

hundreds of our athletes, band members and high school students. Construction on the new 6-7 grade building is underway and, when completed, will provide the relief we need to accommodate our growing student population, keeping us together as a community. There are so many good things happening that will enhance the learning experience for all of our students. We invite you to follow our progress and success on social media @SEPSchools or by searching #1SEP and bookmarking our website at www.southeastpolk.org.

Meta Grants \$100K to Public Library for STEM

"The trades, military careers, and other employment options directly after high school frequently require as many STEM skills as 2 and 4 year college degree careers. To prepare residents for lifelong success, we need to provide the ability to try to develop those skills in a non-judgmental, risk-free, and cost-free environment. Those activities need to start PreK and continue throughout life. STEM skills are required not just for employment, but increasingly for negotiating daily life." Kim Kietzman, Director

ALTOONA

PRAIRIE HERITAGE

Entertainment & Recreation

The entertainment and recreation scene in Altoona is wicked intense with something for everyone — the thrill seeker to the slow and easy relaxer. We've got amusement and water parks, horse racing, shopping and multiple community parks for picnics. More than 20 miles of trails and more!

Our Community

What can we say? We LOVE it here, and we think you will, too! We have a 4th of July AND a homecoming parade, Christmas in Olde Town, pocket parks, Altoona Palooza (you gotta get dirty), a beautiful public garden for all ages and abilities, a community gym and aquatics park, Veteran Memorials, and a super fun public library with accessibility to STEM education and MORE. We are the BOMB!

Get Your Foodie On

Altoona has 40+ restaurants and watering holes — wHaT? Yah, we have fast food and mall food (you know you love those, too), but, boy, do we have some incredible sit down restaurants, brew pubs and bars with live music, as well as joints serving your favorite comfort foods, well drinks and desserts. Check out www.altoonachamber.org.

ALTOONA

A-La-Carte

Winter, spring, summer or fall, you will find spectacular atmospheres, cool vibes, tasty eats and smooth drinks – indoors or outdoors. Join the cool kids and come spend some time with us.

Start Your Day

Mornings can be rough, ya'll — we get it! You can start your day with some incredible smoothies or Tea Bombs, specialty coffees and blenders, classic egg combos, omelets, muffins or pie — we won't judge you! You've got lots of options to fill up your tank in the a.m. Go to www.altoonachamber.org/OurMembers/restaurants or [/retail/specialty drinks](http://www.altoonachamber.org/OurMembers/retail/specialty%20drinks) for our list of the best of the best!

After Dark

Someone once said that “nothing good happens after dark” ... Bruh, they haven’t come through this town! There is live music most every weekend, we’ve got some of THE best patios in the Metro, wicked good appetizers, cold drinks, loose slots, hot tables, (breathe) bike nights, trivia and karaoke, dart tournaments, fireworks and more. No vibe check needed - Altoona After Dark will give you all the feels.

Boutique Boujee

When you're done spending time at the Outlets of Des Moines (you have no idea how risky it is having this in our backyard), you can cruise into and onto our main street shopping scene (or just a bit out of town) for boutique shopping at its finest!

Kitchen gadgets, toys, home decor, specialty make-up, facial treatments, spa experiences, and yes, a lavender farm, on-trend clothing, florals and even stuff for your furry friends. Pack your plastic — you're gonna need it!

BIG EQUIPMENT. BIGGER OPPORTUNITIES.

Ziegler is a family-owned company committed to servicing its customers, employees, and the communities where we live and work for over 100 years. Ziegler sells and services the full line of Cat® construction equipment and AGCO® and CLAAS agriculture equipment.

Ziegler has a team focus, a first-class reputation for service, and a healthy work-life balance. We train our employees to do things the Ziegler Way — the right way — and then we take it one step further. If you're a talented, hard-working, and down-to-earth person, you'll fit in perfectly here.

TEAM MENTALITY

Once you join Ziegler, you're not confined to one job. We recruit the best people available and place them in positions that best suit their skills and areas of interest. New opportunities and avenues for professional growth are always part of being on the Ziegler team.

THE DIFFERENCE IS

STABILITY.

When it comes to your finances, you're in it for the long haul. It's not always the easiest approach, but it's the smartest. It helps to have a bank that's committed to being with you every step of the way. Bankers Trust has been building long-lasting relationships in the Altoona community for years. We believe you – and your money – deserve a bank that will stick around as your needs grow. Whether you're opening your first account, expanding your business, or safeguarding your assets for retirement, Bankers Trust understands and anticipates your needs. Sometimes even before you do. **Contact us or stop by our Altoona branch today.**
