grimes, iowa: a great story

Grimes Chamber & Economic Development is very proud to partner with our friends at Grimes Living Magazine to bring you this year’s edition of our organization’s Official Directory. Whether you are a visitor to Grimes or a citizen of the community, we hope that this publication will become a fixture for you to learn more about the many wonderful businesses and organizations that comprise our membership. Keep it around as a reference, as it contains a lot of good contact information.

We think you’ll find that businesses that choose to be a member of their local Chamber of Commerce are very involved in bettering the community in which they do business. When they become a member, it is a vote of confidence in the organization’s Mission Statement, which can be found printed below. You’ll see the names of these businesses not only in this directory, but at many of the community events that occur in Grimes throughout the year as sponsors. You’ll see their names on the backs of sports jerseys. You’ll find their names at school events. But more importantly, you’ll most often see them in their place of business providing fantastic service, employing you, your friends, and your neighbors.

Grimes Chamber & Economic Development (GCED) is honored to represent more than 300 members. Our business community is comprised of small businesses, large businesses, and everything in between. Their work is local,

regional, national, and sometimes even international in nature. The community continues to experience growth because of the opportunities that exist here. Grimes has many amenities that make life fun and allow us to have a fantastic quality of life. But the community also provides opportunity to start and advance a rewarding career, whether that is in your own business venture or working for another company.

To drive our community forward, with a goal of continued improvement, we hope that you will use this guide to help you invest in your community. Visit here. Live here. Work here. Volunteer here. Grow your family here. Retire here. Do business here. Whether it is one or all of the aforementioned options, we hope that you will choose to engage wholeheartedly in the great story of Grimes, Iowa!

mission statement

Grimes Chamber & Economic Development is a membership organization focused on the retention and expansion of the Grimes business community along with the sponsorship of activities to benefit our members and residents.

your local chamber of commerce

Grimes Chamber & Economic Development (GCED) acts as a catalyst — a common vehicle through which business and organization professionals work together for the common good of the community. Beyond what many traditional Chamber of Commerce organizations offer, GCED is involved in Economic Development, Tourism, and traditional Chamber of Commerce activities. We exist to support our members first, while continually working to improve the community of Grimes as a whole. By working closely with all levels of government (local, state and federal), we ensure that the business community's perspectives are always considered when policy is being created or amended.

Through this model, we provide value to our members, which helps them to be more successful in their endeavors. We support our local school districts, service organizations, and we do our best to encourage and support civil discourse and foster productive conversation whenever possible. Like other successful organizations, GCED evolves over time in order to serve the best interests of our members and the community we call home.

The Increasing Value of Regional Connectivity and Exposure

Businesses that become members of Grimes Chamber & Economic Development automatically gain dual membership within the Greater Des Moines Partnership (GDMP) at no additional cost. Through this relationship, our members have networking access to more than 6,400 businesses across central Iowa.

Through this dual membership model, members are listed on the regional website (www.dsmpartnership.com) and will receive regular correspondence from GDMP containing regional news, updates on upcoming events and opportunities, etc. Not only are our members more visible, but they have a greater awareness and voice in a variety of local and regional initiatives.

grimes celebrates another year of growth

BY LINDSEY GIARDINO

From dining establishments to professional services and more, the list of new businesses and economic development projects completed in Grimes in the past year is a lengthy one. Residents have additional local options for their dollars, and the tax impact is significant.

Numerous fast-food restaurants like Taco Bell, Freddy's Frozen Custard & Steakburgers and Slim Chickens opened, as did businesses like Midwest Heritage, Jiffy Lube, Dental Associates, Gateway Family Dental, Drip Bar, and Pure Sweat + Float Studio Grimes. While this isn't inclusive of all the businesses that came to town, it's a good representation of the type of development that's occurring and what's anticipated to continue happening for the foreseeable future.

Completion of Gateway Drive has wrapped up a project which has had significant impact of economic development, said Brian Buethe, president and CEO of Grimes Chamber & Economic Development. The road was built in stages as development occurred.

“Now you can drive all the way from the north side of Grimes to the south side of Grimes along Gateway Drive, which is very important,” he said.

The road is a key component of a master plan that calls for having adjacent roadways to Highway 141 so travelers have alternative routes to the high-traffic, high-speed corridor. A similar roadway that will eventually run from the north to south side of town as development occurs is Destination Drive.

Other contributions to Grimes’

commercial growth this past year were numerous high cube warehouse projects, including a facility for Architectural Wall Systems and Donovan Marine’s building in Legacy Business Park II.

Buethe pointed out continued growth in the light industrial sector at the crossroads of Interstate 80 and Interstate 35 as well.

Anderson Properties has done a lot in that area with its Legacy Park development. ATI Group and OPUS partnered to build a large building and 80-acre industrial site off of Southeast 37th Street — the first of many buildings there. In addition, R&R Realty Group built its fourth and final building in Prairie Business Park, which now totals more than a million square feet of industrial space, all of which is leased

except for 13,000 square feet.

“That’s a big, big deal for the community,” Buethe said, adding that the facilities create many jobs and a larger tax base. It also speaks to the market that so much space is being leased, he said.

On the flip side, a lot of growth in the dining sector can be attributed to Grimes’ population growth, Buethe said, as well as anticipated traffic to GrimesPlex, which will be operational this year.

A few fields of the largest multi-use turf sports facility in the Midwest are expected to open late spring or early summer, with the rest of the fields completed by the end of the construction season.

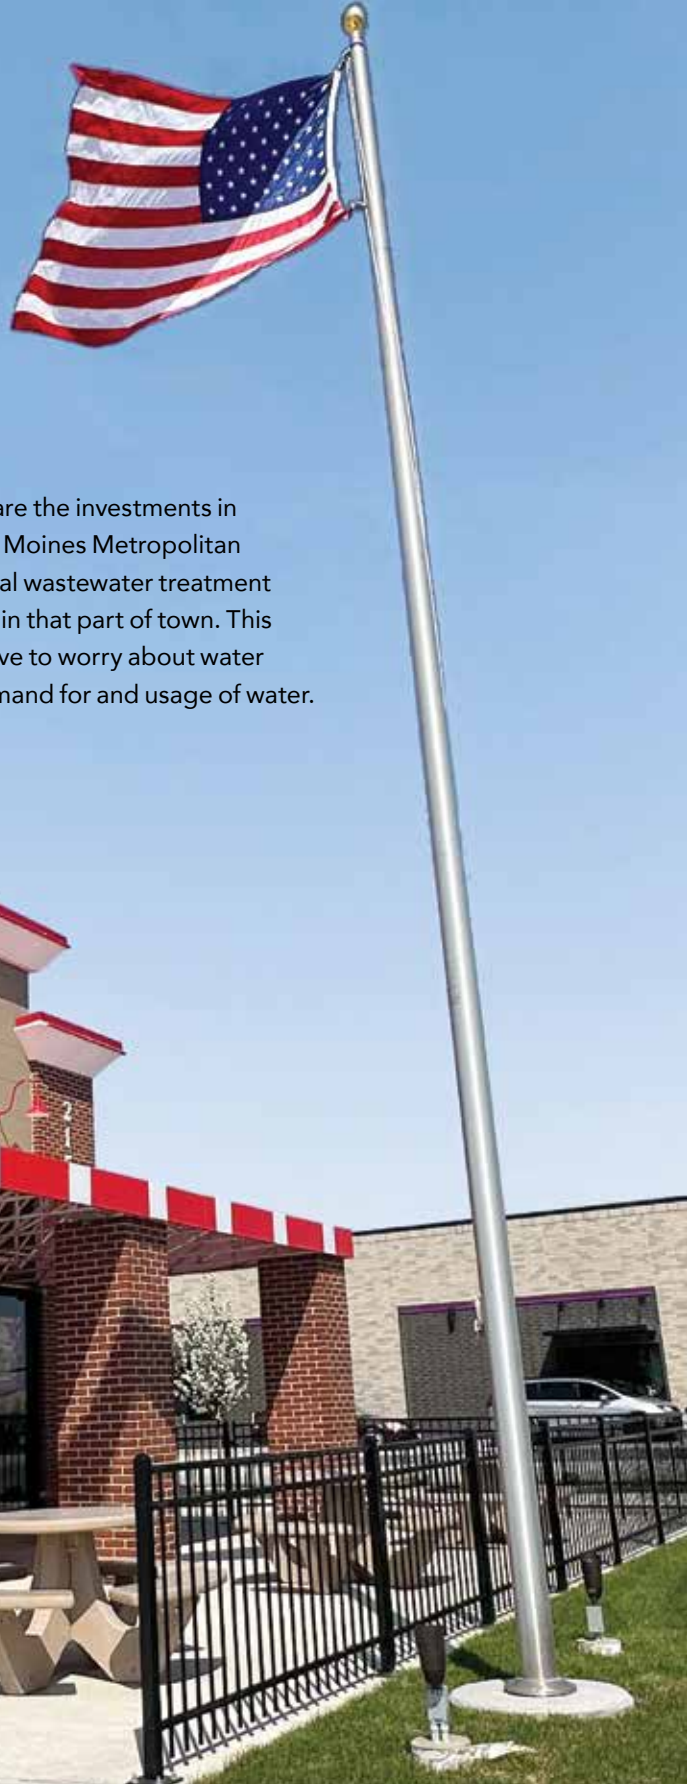

CONTINUED ON NEXT PAGE...

Later this year, in the town's historic Governors District, a two-story brick building will be constructed, with tenants to be determined.

"Any time we get new development in an older part of town, it's a nice feather in our cap as a community," Buethe said.

He said another exciting project in the works is the new Iowa Ortho Surgery Center in southeast Grimes.

Perhaps less glamorous — but incredibly important — are the investments in Grimes' infrastructure. The City recently joined the Des Moines Metropolitan Wastewater Reclamation Authority and will close its local wastewater treatment plant, leading to an elimination of odor issues in that part of town. This decision also means the town won't have to worry about water capacity amid an increased demand for and usage of water.

Buethe pointed out the town is growing toward the west and northwest as predicted.

"It'll be exciting to see what actually lands there in the coming years," he said.

And although there were fewer housing permits issued in 2022 than years prior, Buethe anticipates that rebounding in the near future, especially with all the new developments happening.

With growth in so many business sizes and types, along with the infrastructure to provide for additional development, Grimes would appear to be set to follow its current trajectory of economic expansion.

"The future still looks bright as far as growth," he said.

GROW YOUR BUSINESS BY JOINING THE GRIMES CHAMBER OF COMMERCE!

"Being a part of my local chamber is an important part of my marketing plan, and it should be for you, too. I am so fortunate to run a business in Grimes where the chamber has a long history of helping its businesses grow and succeed. The Grimes Chamber has helped me grow my business through meaningful relationships, referrals and treasured friendships. In a time when we are all racing to find ways to grow our business, I urge you to look local, get involved and invest in the Grimes Chamber to get the most mileage out of your marketing dollars."

THE DIFFERENCE IS

STABILITY.

When it comes to your finances, you're in it for the long haul. It's not always the easiest approach, but it's the smartest. It helps to have a bank that's committed to being with you every step of the way. Bankers Trust has been building long-lasting relationships in the Grimes community for years. We believe you – and your money – deserve a bank that will stick around as your needs grow. Whether you're opening your first account, expanding your business, or safeguarding your assets for retirement, Bankers Trust understands and anticipates your needs. Sometimes even before you do. **Contact us or stop by our Grimes branch today.**

From the city of grimes

On behalf of the City of Grimes, we extend a warm welcome to you. Working in collaboration with the staff of Grimes Living magazine and Grimes Chamber & Economic Development, we have created an official business directory for the community that also serves as a centralized hub for information on city services, organizations, and boards.

At City Hall, we receive numerous inquiries each day, and this guide addresses the most commonly asked questions. Whether you have been a long-time resident, just moved to the community, or simply want to learn more about our city, we hope that you will find this guide informative and useful.

We urge each of you to play an active role in shaping Grimes by getting involved in city government or any of the many civic organizations that contribute to the vitality of our community. It is an honor to call Grimes our hometown, and we are proud of the strong family orientation, affordable residential living, and wholesome setting that make Grimes a unique place to live. Many people are choosing to leave the fast pace of Des Moines and call Grimes their home, and we believe it's easy to see why.

In Grimes, we place great importance on education, and our commitment to providing the finest facilities, teachers, and educational opportunities is reflected in the Dallas Center-Grimes School District. Whether your children attend the

elementary schools, the new middle school, or the high school, they will benefit from an exceptional education.

Grimes, Iowa, is a community that offers a diverse range of housing options to fit any budget. With a variety of new and existing homes to choose from, alongside apartments, senior living options (including independent, assisted, short-term rehab, and long-term care), and mobile home parks, there is something for everyone. Whether you're looking for a place to call your own or a community to retire in, Grimes has you covered.

In addition to its diverse housing options, Grimes is also a community that is experiencing continued growth. With a population of 15,392 (according to the 2020 census) and over 500 businesses, Grimes has seen significant change since its founding in 1881. Despite its growth, however, the community still maintains its friendly Midwestern atmosphere and sense of community that brings people closer together. Located just to the northwest of the Des Moines metropolitan area, Grimes offers the best of both worlds: easy access to the advantages of city life, coupled with the security and peace of mind of a small town.

If you're interested in learning more about Grimes or have any questions, you can contact City Hall at 515-986-3036. The city officials will be happy to assist you.

parks & recreation

The Grimes Parks and Recreation Department manages facilities and leisure activities in the City of Grimes. These include the parks and trail system, Grimes Community Complex, Grimes North and South sports complexes, the GrimesPlex and the recreation programs for the citizens of Grimes. Grimes features several city parks.

CITY PARKS AND FACILITIES

- **Autumn Park** includes a half-acre, playground equipment, swings, a half basketball court, trails, and benches.
- **Beaverbrooke Park** includes a shelter, grill, two picnic tables and play set. No electrical is provided.
- **Glenstone Park** includes 3.6 acres with a 20-foot-wide open gazebo with two picnic tables (no electrical or grill).
- **Grimes Community Complex (GCC).** The gym is a popular spot for sports teams to practice and for adults to play pick-up volleyball and basketball games. Rental space is available for reunions, meetings, and celebrations.
- **Grimes Community Complex Park** includes swing sets, playset with multiple slides, structures for ages 0-12, basketball hoops, sand volleyball court, green space, and a picnic area.

• **Heritage Park** was constructed in 2021 and is over 2 acres in size. It has modern restrooms, a walking path around the park, and a clock tower that plays music for holidays and events.

• **Kennybrook South Park** includes 4.15 acres with a shelter, playground equipment, sand volleyball court, half basketball court and green space for open play.

• **Lions Park** includes 4.8 acres with an open shelter, two grills, four picnic tables, half basketball court, two baseball/softball fields, soccer field, and playground equipment. Electrical outlets are provided.

• **North Pointe Park** includes 3.48 acres, with a play structure, swing set, 16-foot-square open shelter and two picnic tables.

• **North Sports Complex** includes two picnic tables, restrooms and electrical. It's perfectly situated between green space, sand volleyball courts, and a play structure.

• **Outdoor Skating Rink** is located at the South Sports Complex at the four-way stop by South Prairie School. Parking is available.

• **Shawver Park** is a 4-acre park in a neighborhood park located off of Shawver Drive. Access by walking trail. Shelter, two picnic tables, grill and play structure. Plenty of green space for open play.

• **South Sports Complex** includes two tennis courts, multiple soccer fields (9 acres) including one lit tournament field, three sand volleyball courts, three softball fields, four baseball fields, two basketball courts (four hoops), a skate park, walking trails, restrooms, two concession stands, 487 parking spots, and a large play structure by the south concession stand.

• **Grimes Skate Park** is located at the South Sports Complex at the south end just off of South James Street. Parking is available by entering on the north side. Skate Park rules are posted at the entrance.

• **Waterworks Park** has two open shelters with electricity, two playgrounds, sand volleyball court, open green space and three ball diamonds. Four picnic tables are located at the west shelter and seven picnic tables at the east shelter.

• **COMING SOON:** GrimesPlex Sports Facility, Glenstone MultiGolf Course, and Waterworks Park Splash Pad.
