Welcome to the Beaverdale Source

This annual guide for Beaverdale residents is styled by the publishers of Iowa Living magazines and paid for by the local businesses that advertise in these pages. It's designed for easy readability and offers quick answers to common questions. Keep this community resource handy all year long; you'll be glad you did.

In the pages that follow, you will find answers to day-to-day questions that come up in the community, but this is more than a standard directory. The Beaverdale Source offers information about local recreation, snow ordinances and pet licenses; a listing of area churches; information about local events planned for the upcoming year, and much more.

Please remember to patronize the local businesses and advertisers that helped make this effort possible. They know you have many options on how to spend your hard-earned dollars, and your loyalty is appreciated. We are a small business, too, and we value the long-standing relationships we have built.

If you would like additional copies, contact our distribution manager, Mike Chiston, at 515-953-4822 ext. 304 or email mike@dmcityview.com.

Of course, things change a lot within a year, so be sure to contact the individual groups listed here for updates. If you notice any errors or omissions, or if you have ideas on something new you'd like to see, please contact our editor, Tammy Pearson, at 515-953-4822, ext. 302 or tammy@iowalivingmagazines.com.

And don't forget to keep this guide where you can easily find it and refer to it often. Beaverdale has a lot to offer, so get out and enjoy it! ■

Beaverdale: Welcome to the neighborhood

Beaverdale is a Des Moines neighborhood defined by the boundaries of Meredith Drive to the north, Forest Avenue to the south, 30th Street to the east and 48th Place to the west. But, more than that, it is defined by the pride of its residents, its vitality and its vibrant history. The “Beaverdale Brick” homes, tree-lined streets, parks and quaint shops give the neighborhood its character.

Beaverdale is the largest of the 51 recognized neighborhoods in Des Moines. The Beaverdale Neighborhood Association (BNA) is an active organization, promoting community events and involvement. The BNA is led by an 11-member board elected for two-year terms. The Board meets monthly and works closely with several committees to accomplish the goals of the association.

The BNA is a 501(c)3 nonprofit organization committed to ensuring that Beaverdale remains a vital community in which to live. Formed in June 1990, it quickly became one of the largest neighborhood associations in Des Moines.

A primary goal of the BNA is to give all Beaverdale residents an active voice in the future of the neighborhood by working closely with the City of Des Moines, Polk County, Beaverdale businesses and organizations and neighbors to implement actions that cover the major issues facing the residential, commercial and public facets of the area. The BNA MISSION is to promote the social welfare of the Beaverdale area by bringing about civic betterment and social improvements for the common good and general welfare of the people of the community.

For more information about the association, visit www.beaverdale.org. ■

The Department of Public Works is dedicated to providing residents with professional snow removal services. As a general rule, while snow is still falling, plow trucks are working on designated main snow routes that are designed so that no one is ever more than four blocks from a snow route. Once the snow stops, the plow trucks transition into plowing all of the residential roads

Holy Trinity offers preschool through eighth-grade education. Each grade in kindergarten through eighth has two sections, allowing the average classroom size to remain small. Staff works hard to create a rigorous academic curriculum that challenges every student, while also offering support at all levels to ensure every student has the opportunity to reach their potential.

Mount Olive Lutheran School, located in the nearby 50310 area, offers classes for 3-year-old preschool through eighth grade. It is accredited by the state of Iowa and NLSA and offers a family environment centered on Jesus's love. Mount Olive provides a high quality education in a Christian environment by teachers who reflect Christ's love to children daily. Mount Olive teaches to the whole child by offering a traditional education that includes physical education, music, Spanish and art twice a week, while integrating technology into the day via Smartboards, iPads, Chromebooks and multiple web-based programs. ■
