Jen Penisten ARNP, Owner

A comprehensive resource designed for you!

Welcome to the Norwalk Source. This annual guide for Norwalk residents is styled by the publishers of Norwalk Living magazine and paid for by the local businesses that advertise in these pages. It's designed for easy readability and offers quick answers to common questions. Keep this community resource handy all year long; you'll be glad you did.

In the pages that follow, you will find answers to day-to-day questions that come up in the community, but this is more than a standard directory. The Norwalk Source offers information about your city council and school board representatives, listing of area churches and information about local events planned for the upcoming year.

Please remember to patronize the local businesses and advertisers that helped make this effort possible. They know you have

many options on how to spend your hard-earned dollars, and your loyalty is appreciated. We are a small business, too, and we value the long-standing relationships we have built.

If you would like additional copies, contact our distribution manager, Mike Chiston, at 515-953-4822 ext. 304 or email mike@dmciview.com.

Of course, things change a lot within a year, so be sure to contact the individual groups listed here for updates. If you notice any errors or omissions, or if you have ideas on something new you'd like to see, please contact our editor, Tammy Pearson, at 515-953-4822, ext. 302 or tammy@iowalivingmagazines.com.

And don't forget to keep this guide where you can easily find it and refer to it often. Norwalk has a lot to offer, so get out and enjoy it! ■

FROM THE CITY MANAGER

Norwalk continues to see significant growth and development, and with that comes the need for ongoing infrastructure improvements. The city continues to work diligently to address these needs while maintaining the character that makes Norwalk special. Street repairs, utility upgrades, and other essential projects are underway to ensure our city remains safe and accessible for all.

Ensuring the safety of our residents is a top priority. Our dedicated police and fire departments work tirelessly to keep our community secure. If you have any concerns or suggestions related to public safety, please don't hesitate to reach out. Your cooperation and vigilance contribute significantly to our collective wellbeing.

Our parks are an integral part of our community, providing spaces for relaxation, recreation and connection. The city is committed to enhancing our parks and recreational facilities to better serve our residents. The new City State Bank Norwalk Fieldhouse is anticipated to be open by May 1, 2024.

The city's administrative staff plays a crucial role in the day-to-day operations of our city, from managing public services to facilitating community programs. If you have any questions or need assistance, please feel free to reach out to our capable administration team, which is here to serve you.

Our Community Development Department is actively working on projects aimed at enhancing the overall quality of life in Norwalk. From urban planning and affordable housing initiatives to comprehensive planning, the Community Development Department is focused on creating a sustainable and thriving community.

The Norwalk Economic Development Department is focused on fostering economic growth and prosperity within Norwalk. From attracting new businesses to supporting existing ones, it plays a pivotal role in shaping the economic landscape of our community. I encourage you to connect with them, as they are eager to collaborate with businesses and residents alike to ensure Norwalk thrives economically.

Thank you for being an essential part of Norwalk. Your commitment to our community is what makes it a great place to call home. If you have any concerns, suggestions, or simply want to connect, my office is always open. Let's continue working together to preserve and improve why people want to live and work in Norwalk.

I look forward to another successful year for the City of Norwalk. ■

CITY FAQs

NORWALK CITY HALL

705 North Ave. • 515-981-0228
Monday – Friday, 8 a.m. to 4:30 p.m.
www.norwalk.iowa.gov

Q: What is included in my monthly utility bill?

A: All or some of the services included in your bill are water, sewer, storm water, trash and recycling. Water meter readings are taken each month on the first business day, and bills are mailed around the 15th of each month. If no request for a financial arrangement has been received and no payment has been received, water is shut off on the 25th of each month.

Q: Can I pay my utility bill online?

A: Yes. Customers can sign up for Xpress Bill Pay at www.xpressbillpay.com/#/?org=norwalk10505 to make payments online or set up automatic payments. Customers can also download the Xpress Bill Pay app to their phone.

Zumba • Cheer • Dance

Check out our facility!

Q: When is garbage picked up?

A: Garbage is picked up on Tuesday at homes west of Highway 28/Sunset Drive and on Wednesdays for homes east of Highway 28/Sunset Drive. Large items and extra trash are collected on garbage day from the curb with the appropriate stickers. Schedule appliance pick up with the hauler and apply appropriate stickers. To start/stop service, call Norwalk City Hall, 515-981-0228. For information about carts or missed pickup, call Metro Waste Authority at 515-244-0021. Residents can also take garbage to Metro Park East Landfill.

Spring cleanup is May 13, 2024.

Q: Is recycling picked up curbside?

A: Yes. Metro Waste Authority manages Curb It!, the curbside recycling program. For information about collection, call 515-244-7336. Collection day is Tuesday for homes west of Highway 28/Sunset Drive and Wednesday for homes east of Highway 28/Sunset Drive.

Q: Is yard waste picked up?

A: It can be. Metro Waste Authority manages Compost It!, the curbside yard waste collection program. The regular collection season for 2024 is April 2 to Nov. 27. A limited winter collection will be scheduled in early January 2025. Yard waste is collected on your normal garbage day. For information about collection or to start service, call 515-244-0021.

CITY FAQs

Q: What requirements are there to use the Dog Park?

A: Dogs must be licensed, and you must have a dog park pass to use the Dog Park. Go online to <https://city-of-norwalk.mybarkpass.com> to complete an application. All applications require proof of vaccination. The licensing renewal period begins Dec. 1 and runs through March 31. Licenses expire Jan. 1.

Q: Is open burning allowed?

A: Open burning of garbage is not allowed. Recreational fires are allowed in certain circumstances. When allowed, they first must be used for cooking, heating, recreation or ceremonies and must be contained in a fire ring or commercial device meant for containing a recreational fire. The City Code may be viewed at https://codelibrary.amlegal.com/codes/norwalkia/latest/norwalk_ia/0-0-0-1.

Q: What are the rules about street parking in case of snow?

A: When the city issues a snow emergency, parking is not allowed on public streets, alleys or city-owned off-street parking areas. Property owners must clear sidewalks of snow and ice within 24 hours of it accumulating or the city may do so and assess the costs.

Q: What does the city consider a nuisance?

A: According to Norwalk City Code, a vehicle must be parked on a hard surface and cannot be parked in a person’s yard. The maximum allowed grass height is 8 inches. Excessive garbage, debris and other waste is not allowed. Dead or diseased trees must be removed. If you want to report a nuisance, complete the online nuisance report at https://www.norwalk.iowa.gov/citizen_request_center/nuisances.php. If you have questions or comments about the nuisance code, call 515-981-9530. If you have an immediate health or life safety concern, contact City Hall directly by calling 515-981-0228 or by dialing 911. ■

ECONOMIC DEVELOPMENT

The Economic Development Department handles a variety of business initiatives and development aspects for the city of Norwalk, such as new company recruitment, business expansion assistance, project management, and development agreements, incentive programs, property locating/site selection and infrastructure assistance, statistics and demographics, grant writing and financial programming, research, communications/public relations and marketing, community enhancement programs, and foreign relations.

Since the Department was established in 2017, the city's commercial tax base has increased by 101.8%, adding \$46 million to the tax base, and the industrial tax base has grown by 909%, adding an extra \$43 million in taxable value. In this same timeframe, more than 100 new businesses have opened, resulting in more than 1,500 full-time jobs in the community. Norwalk also has the first certified site in Iowa to reach capacity, with Windsor

Windows and Michael Foods adding more than 300,000 square feet of new light-industrial space. We are also working on a second certified site in the same area of approximately 142 acres.

Economic Development established Norwalk's first official international designation with the Sister-City partnership in Vushtrri, Kosovo, and manages the state-to-nation program. The department also administers the Commercial Improvement Grant program, High-Quality Jobs Grant, veterans programs, Tax Increment Finance program, and the First-in Commercial Development Incentive program.

For more information about available sites, developments, incentives, and business or community programs, visit the Economic Development page at Norwalk.Iowa.Gov/EconDev or email the Economic Development Director at HollieZ@Norwalk.Iowa.Gov. ■

THE PERFECT LOCATION

The city of Norwalk shares borders with neighboring cities of Des Moines and West Des Moines while serving as the closest suburban community to the Des Moines International Airport and Valley Junction. Norwalk features beautiful new residential neighborhoods, Lake Colchester, world-class schools, and some of the best golf courses in Iowa.

Ranked "Safest City in Iowa" several years in a row, Norwalk's median household income is the third highest in central Iowa, and it has one of the lowest unemployment rates in the nation and is one of the fastest-growing cities in Iowa.

In addition to the Des Moines Metro's key industries, Norwalk is primed for retail, recreation and tourism-based development. Multiple commercial and retail developments are underway in the city, such as Norwalk Central, the Gregg Young Sports Campus, and the NorWalk of Fame. With the Highway

28 corridor running through the middle of Norwalk from West Des Moines (63rd Street) and the central metro connector Fleur Drive extending along Norwalk's eastern border, the remaining commercial sites are incredibly valuable.

Some of the metro and national companies that recently chose to expand their businesses in Norwalk are; SportsPlex USA, Fairfield Inn & Suites by Marriott, Hilton Tru Hotel, Mullet's Restaurant, Pin High Golf Simulator & Sports Bar, TPH Sports Academy, Luana Savings Bank, Mahalo's Coffee & Donuts, Windsor Windows, Mercy Clinics, UnityPoint, Jimmy John's, Michael Foods, 1908 Draught House, Arby's, Jones Family Dental, Johnson Orthodontics, Norwalk Ready Mix, RC Dermatology, Athletico, Northern Lights Pizza, Starbucks, Fareway, Scooters Coffee, Christian Brothers Automotive and Kwik Star to name a few. ■

BUSINESS & COMMUNITY-BASED PROGRAMS

Business/Commercial

The city of Norwalk offers commercial building grants for façade and value-added facility improvements. Buildings must be within Norwalk city limits and be at least 10 years of age. Grants available are from \$1,500 to \$50,000 for qualifying projects — matching funds required.

Demolition expenses for dilapidated structures can now be included in the application for this grant (the project must consist of future commercial development on a razed site). Funds can also be used to convert residential properties in commercial areas into commercial facilities.

In addition to the Commercial Improvement Grant program, the Economic Development Department also offers a High-Quality Jobs Grant to employers who meet certain criteria when adding new full-time positions and the First-in Incentive program

for new commercial projects that get built first in a larger undeveloped area and require new infrastructure.

The city of Norwalk also provides a Five-Year Graduated Tax Abatement program for new commercial structures built in Norwalk. Contact the Economic Development office or city website for details about these grant and incentive programs.

An advertisement for Falke Construction. The top left features the company logo with a house icon and the text 'FALKE CONSTRUCTION'. To the right, the text reads 'Central Iowa's Premier Roofing Company' and 'Locally Owned and Operated'. The background is a large, two-story brick house with a grey roof. In the bottom left, there is a circular award seal that says 'IOWA Living MAGAZINE RESIDENTS' CHOICE AWARD MADISON COUNTY WINNER!'. In the bottom right, there is an inset photo of three men standing next to a white pickup truck. At the bottom, an orange banner contains the text 'ROOFING • SIDING • DECKS • ADDITIONS REMODELS • & MORE' and a dark blue banner contains 'CALL OUR TEAM TODAY (515) 689-3700!'.

Veterans

The Home Base Iowa program helps veterans move to Iowa and find full-time employment. The program benefits veterans recently separated from the military or returning from deployments. Norwalk and Warren County are Home Base Iowa Communities, which adds to the statewide benefits package for veterans who move to or work in Norwalk. Many of Norwalk's businesses are committed to hiring veterans and regularly post available positions.

The Norwalk Economic Development Department also offers a \$5,000 grant to any veteran or veteran spouse who opens or physically expands a business in Norwalk. For more information about this program, go to www.homebaseiowa.gov/warren-county-veterans-resources or www.homebaseiowa.gov/business/city-norwalk or contact the Economic Development office.

Foreign Relations

Norwalk is one of the few Iowa cities with an official international designation. Norwalk is a Sister-City with Vushtrri, Kosovo, and has a close working partnership with the Kosovo Consulate in downtown Des Moines. The Norwalk Foreign Relations Committee was created to engage residents with the city's international initiatives. Norwalk and Vushtrri are currently working on projects providing opportunities for business and trade, development, and governmental and public safety programming. In 2023, the president of Kosovo and the ambassador to the United States attended a delegation event at Norwalk City Hall with international news coverage.

For more information on Norwalk's international initiatives, contact the Economic Development Department or email Hollie at HollieZ@norwalk.iowa.gov or Jaki Livingston at JakiL@Norwalk.Iowa.Gov. ■

COMMUNITY DEVELOPMENT

The Norwalk Community Development Department handles the development and building process for the city. The process starts with the long-term planning of land uses, infrastructure and other city amenities. Land is then developed through the zoning, subdivision and site development of property. Finally, a building permit can be submitted for the construction of various structures.

Building permits through the city can be sought for many different structures, from new commercial buildings and new houses to remodeling projects, sheds and pools. Staff in the department also conduct inspections of various permitted projects to ensure safety of structures and compliance with city codes.

The various uses of property are handled through the city's Zoning Ordinance, which is administered by the Community Development Department. Questions on allowed uses and locations of structures can be directed to the department. The department also assists with the requested changes to zoning for property owners.

Lastly, the Community Development Department handles all property nuisance complaints for the city. Complaints can be called in, emailed, or submitted online via the city website. The department staff investigates all property nuisance complaints and issues any corrective actions needed.

The Community Development Department can help residents work through any new projects. For information on development and building within the city, call 515-981-9530. ■

QUALITY IS OUR NUMBER ONE GOAL.

ENJOY NORWALK'S PARKS

Billy O. Phillips Park

Reservations

Ballfields, the Aquatic Center, and shelters can be reserved. No alcohol is allowed in any of Norwalk's parks. Reservations can be made online at <https://norwalkparks.activityreg.com>. The website includes a list of amenities offered at each park as well as the rates.

Billy O. Phillips Park, 2500 Lexington Drive

Amenities include: playground with rubber surface, wheelchair swing, restrooms, open air shelter (available for reservation), backstop/practice ball diamond and picnic tables.

Brownie Park, 805 Cherry Parkway

Amenities include: butterfly garden, Iowa's first Magnolia Arboretum, a fairy garden, checkers and hopscotch on the trail that leads through the park and to the Norwalk Easter Public Library where parking is available. There are no restrooms at the park but enjoy a walk over to the library for facilities and parking.

City Park 907 North Ave.

Amenities include: playground equipment, basketball courts, picnic tables, shuffleboard courts, restroom facilities, old railroad car and open shelter house with picnic tables.

Disc Golf Course, 1915 North Ave.

Par 3 disc golf course is located within Windflower Park. It is an 18-hole course with 18 tee-offs, 9 holes and 1 practice hole.

Dog Park, 907 North Ave.

Norwalk's Dog Park is located inside of City Park. The Dog Park has two fenced areas, one for small dogs and one for larger dogs. There are water fountains available for hydrating your dogs as well. Passes for the Dog Park are required and can be purchased at City Hall, 705 North Ave. For cost information related to licensing of your dogs or passes to the Dog Park, call 515-981-0228.

Elizabeth Holland Park, 1401 Colonial Parkway

Amenities include: two ponds stocked by the DNR with bluegill, largemouth bass, and channel catfish; 0.86-mile trail with lighting, and art sculptures.

McDonald's Woods Park, 1401 Holly Drive

This park is nestled behind townhomes on High Road. It is a quiet, forest-like setting with trees. To access the parking lot, use Holly Drive south of the park.

Serenity Woods

The city of Norwalk has purchased 177 acres of new parkland south of town. It is located at the northwest corner of Elkhorn and Highway 28. A portion of the North River runs through the middle of the park, splitting it into two sections.

Serenity Woods is not yet open to the public. Norwalk Parks and Recreation is working on accessibility to the site along with a parking area. After access is established, the Parks Department will be excited to announce when the public can use the new park area for hiking and other outdoor activities.

While the city is excited to offer this great amenity for citizens and visitors, it should be noted that accessing the site prior to opening would be considered trespassing.

Serenity Woods is adjacent to the North River Greenbelt: Swamp White Oak Tract, managed by the Warren County Conservation Board.

Trails

The city maintains several miles of linear multi-use recreational trails. The trails are both on and off the street. The most recent addition is the Great Western Trail Connection.

Warrior Park, 511 Orchard Hills Drive

Amenities include: pre-school playground; NFL Play Challenge Course (one of three in the Midwest); restroom facilities; open air shelter (available for reservation); trail connection to Orchard Hill Elementary; pond stocked by the DNR with bluegill, largemouth bass and channel catfish; small parking lot (the city encourages you to walk or ride your bike to the park).

Windflower Park, 1915 North Ave.

This park includes the Norwalk Aquatic Center, playground equipment, a walking path, 12-hole disc golf course, a double wide basketball court, skateboard park, an open shelter house with an enclosed kitchen

NORWALK COMMUNITY SCHOOLS

A Note from the Superintendent

Greetings and welcome to the Norwalk Community School District. We take pride in our commitment to our District's Mission: Growing Learners and Leaders. With around 3,500 students and 500 dedicated staff members, our district serves as a thriving educational community. As a Leader in Me school district, we are dedicated to unlocking the full potential of our students through our Portrait of a Learner framework.

At the district office, we are proud to be led by a team of professionals who are committed to providing an exceptional education to the students of Norwalk CSD. Our goal

encompasses a range of responsibilities, including the development of school policies, the recruitment and retention of exceptional employees, fostering strong parent engagement and the promotion of great successes within our district. Together, we strive to create an environment where every student can flourish and reach their full potential. If you would like more information about the Norwalk Community School District, please give us a call at 515-981-0676. ■

Respectfully,
Shawn W. Holloway
