# There is a lot to celebrate in Grimes, Iowa!

Grimes Chamber & Economic Development is proud to partner with our friends at Grimes Living magazine to bring you this year's edition of our organization's Official Directory. Whether you are a visitor to Grimes or a citizen of the community, we hope this document will become a fixture for you to learn more about the many wonderful businesses and organizations that comprise our membership. Keep it around as a reference, as it contains a lot of good contact information.

We think you'll find that businesses that choose to be members of Grimes Chamber and Economic Development are very involved and care deeply for the community of Grimes. When they become a member, it is a vote of confidence in the organization's Mission Statement, which can be found printed on page 6. You'll see the names of these businesses not only in this directory, but at many of the community events that occur in Grimes throughout the year as sponsors. You'll see their names on the backs of sports jerseys. You'll find their names at school events. But, more importantly, you'll most often see them in their place of business providing fantastic service, employing you, your friends and your neighbors.

Grimes Chamber & Economic Development (GCED) is honored to represent more than 320 members. Our business community is comprised of small businesses, large businesses, area nonprofit organizations and everything in between. Their work is local, regional, national and

sometimes even international in nature. The community continues to experience growth because of the opportunities that exist here. Grimes has many amenities that make life fun and allow us to have a fantastic quality of life. But the community also provides opportunity to start and advance a rewarding career, whether that is in your own business venture or working for another company.

To drive our community forward, with a goal of continued improvement, we hope you will use this guide to help you invest in your community. **Visit here. Live here. Work here. Volunteer here. Grow your family here. Retire here. Do business here.** Whether it is one or all of the aforementioned options, we hope you will choose to engage wholeheartedly in the great story of Grimes, Iowa!

## mission statement

Grimes Chamber & Economic Development is a membership organization focused on the retention and expansion of the Grimes business community along with the sponsorship of activities to benefit our members and residents.

# your local chamber of commerce

Grimes Chamber & Economic Development (GCED) acts as a catalyst – a common vehicle through which business and organization professionals work together for the common good of the community. Beyond what many traditional Chamber of Commerce organizations offer, GCED is involved in Economic Development, Tourism and traditional Chamber of Commerce activities. We exist to support our members first, while continually working to improve the community of Grimes as a whole. By working closely with all levels of government (local, state and federal), we ensure that the business community’s perspectives are always considered when policy is being created or amended.

Through this model, we provide value to our members, which helps them to be more successful in their endeavors. We support our local school districts, service organizations, and we do our best to encourage and support civil discourse and foster productive conversation whenever possible. Like other successful organizations, GCED evolves over time in order to serve the best interests of our members and the community we call home.

## The Increasing Value of Regional Connectivity and Exposure

Businesses that become members of Grimes Chamber & Economic Development automatically gain dual membership within the Greater Des Moines Partnership (GDMP) at no additional cost. Through this relationship, our members have networking access to more than 6,400 businesses across central Iowa.

Through this dual membership model, members are listed on the regional website ([www.dsmpartnership.com](http://www.dsmpartnership.com)) and will receive regular correspondence from GDMP containing regional news, updates on upcoming events and opportunities, etc. Not only are our members more visible, but they have a greater awareness and voice in a variety of local and regional initiatives.

## THE STORY OF GRIMES

Economic, recreational,  
residential strides and more

Oak View Middle School  
1300 S.W. County Line Road, Grimes

If you take a drive around Grimes, you'll witness just how much development is happening – and all that's set to come.

**“We're anticipated to keep growing,”** said Brian Buethe, president and CEO of Grimes Chamber & Economic Development. “There's still a lot of demand to be here in the Des Moines metro. Grimes has an advantage over some of our neighbors in that we have a clear path to grow to.”

Throughout the city limits, numerous plots of land are ready for development, both on the residential and commercial sides.

Splitting Grimes at 11th Street delineates a distinct geographical transition: to the south, a landscape dominated by businesses and easy-to-access light industrial zones; to the west and northwest, a burgeoning pattern of residential growth.

However, this growth doesn't come without its challenges. Property ownership hurdles and infrastructure needs pose significant obstacles the city must navigate.

This infrastructure development is a key focus area for Grimes. Gravel and blacktop roads are now being urbanized and widened to accommodate the increasing traffic and population. Planned projects like the widening of Highway 44 and the three-year expansion plan for James Street underscore the city's commitment to improving infrastructure to meet the demands of its growing population.

One of the most notable recent development projects is the establishment of Iowa Ortho's newest surgery center, located at the corner of S.E. 37th Street and 100th Street. This marks the first phase of what promises to be a larger medical campus that will not only bring additional jobs to the region but also diversify the city's business economy.

CONTINUED ON NEXT PAGE...

# “We’re anticipated to keep growing.”

Near the Iowa Ortho facility is the nation’s largest MultiGolf Park, which will draw more people to the city, driving demand for additional hospitality and recreational facilities. MultiGolf enables people to play foot golf, park golf, and disc golf all on the same field.

Additionally, projects like the ongoing revitalization of the Governors District and the construction of a new fire station at S.W. County Line Road and S.W. Sixth Street reflects Grimes’ focus on enhancing its urban core. Moreover, investments in educational infrastructure, such as the construction of the Oak View middle school, underscore Grimes’ commitment to providing quality education for its residents.

Grimes also prides itself on preserving its heritage while embracing modern developments. The Brenton Slough, an environmentally sensitive area, will offer residents and visitors an opportunity to connect with nature through undisturbed trails, features for birders and more.

Looking ahead, Grimes aims to further enhance its community amenities, with a focus on expanding recreational trails and fostering economic development. Initiatives to connect trails to nearby attractions like Jester Park and the Raccoon River are in consideration.

As Grimes continues to grow and evolve, the city remains steadfast in its commitment to fostering a vibrant business environment, preserving its heritage and enhancing the quality of life for its residents.

**With a clear vision for the future and a community-driven approach to development, Grimes is poised to emerge as a leading destination within the Des Moines metro.**

# DART is a lifeline for central Iowans

For some, public transit is a choice, saving time, money, and the planet.

But for others, bus service is an essential connection to their work, groceries, and medical appointments.

## Of central Iowa bus riders surveyed:

- ▶ 61% don't have a working vehicle in their household
- ▶ 61% don't have a drivers' license
- ▶ 43% make less than \$20,000 annually

Visit [ridedart.com/transit-benefits](http://ridedart.com/transit-benefits) to learn how Greater Des Moines residents rely on the bus.

# From the city of grimes

On behalf of the City of Grimes, we extend a warm welcome to you. Working in collaboration with the staff of Grimes Living magazine and Grimes Chamber & Economic Development, we have created an official business directory for the community that also serves as a centralized hub for information on city services, organizations and boards.

At City Hall, we receive numerous inquiries each day, and this guide addresses the most commonly asked questions. Whether you have been a long-time resident, just moved to the community, or simply want to learn more about our city, we hope you will find this guide informative and useful.

We urge each of you to play an active role in shaping Grimes by getting involved in city government or any of the many civic organizations that contribute to the vitality of our community. It is an honor to call Grimes our hometown, and we are proud of the strong family orientation, affordable residential living, and wholesome setting that make Grimes a unique place to live. Many people are choosing to leave the fast pace of Des Moines and call Grimes their home, and we believe it's easy to see why.

In Grimes, we place great importance on education, and our commitment to providing the finest facilities, teacher, and educational opportunities is reflected in the Dallas Center-Grimes School District. Whether your children attend the

elementary schools, the new middle school or the high school, they will benefit from an exceptional education.

Grimes, Iowa, is a community that offers a diverse range of housing options to fit any budget. With a variety of new and existing homes to choose from, alongside apartments, senior living options (including independent, assisted, short-term rehab and long-term care), and mobile home parks, there is something for everyone. Whether you're looking for a place to call your own or a community to retire in, Grimes has you covered.

In addition to its diverse housing options, Grimes is also a community that is experiencing continued growth. With a population of 15,392 (according to the 2020 census) and more than 500 businesses, Grimes has seen significant change since its founding in 1881. Despite its growth, however, the community still maintains its friendly Midwestern atmosphere and sense of community that brings people closer together. Located just to the northwest of the Des Moines metropolitan area, Grimes offers the best of both worlds: easy access to the advantages of city life, coupled with the security and peace of mind of a small town.

**If you're interested in learning more about Grimes or have any questions, you can contact City Hall at 515-986-3036.** The city officials will be happy to assist you.

# parks & recreation

The Grimes Parks and Recreation Department manages facilities and leisure activities in the City of Grimes. These include the parks and trail system, Grimes Community Complex, Grimes North and South sports complexes, the GrimesPlex and the recreation programs for the citizens of Grimes. Grimes features several city parks.

## CITY PARKS AND FACILITIES

- **AUTUMN PARK** includes a half-acre, playground equipment, swings, a half basketball court, trails, and benches.
- **BEAVERBROOKE PARK** includes a shelter, grill, two picnic tables and play set. No electrical is provided.
- **GLENSTONE PARK** includes 3.6 acres with a 20-foot-wide open gazebo with two picnic tables (no electrical or grill).
- **GRIMES COMMUNITY COMPLEX (GCC)** The gym is a popular spot for sports teams to practice and for adults to play pick-up volleyball and basketball games. Rental space is available for reunions, meetings, and celebrations. GCC Park includes swing sets, playset with multiple slides, structures for ages 0-12, basketball hoops, sand volleyball court, green space, and a picnic area.

• **HERITAGE PARK** was constructed in 2021 and is over 2 acres in size. It has modern restrooms, a walking path around the park, and a clock tower that plays music for holidays and events.

• **KENNYBROOK SOUTH PARK** includes 4.15 acres with a shelter, playground equipment, sand volleyball court, half basketball court and green space for open play.

• **LIONS PARK** includes 4.8 acres with an open shelter, two grills, four picnic tables, half basketball court, two baseball/softball fields, soccer field, and playground equipment. Electrical outlets are provided.

• **NORTH POINTE PARK** includes 3.48 acres, with a play structure, swing set, 16-foot-square open shelter and two picnic tables.

• **NORTH SPORTS COMPLEX** includes two picnic tables, restrooms and electrical. It's perfectly situated between green space, sand volleyball courts, and a play structure.

• **OUTDOOR SKATING RINK** is located at the South Sports Complex at the four-way stop by South Prairie School. Parking is available.

• **SHAWVER PARK** is a 4-acre neighborhood park located off of Shawver Drive. Access by walking trail. Shelter, two picnic tables, grill and play structure. Plenty of green space for open play.

• **SOUTH SPORTS COMPLEX** includes two tennis courts, multiple soccer fields (9 acres) including one lit tournament field, three sand volleyball courts, three softball fields, four baseball fields, two basketball courts (four hoops), a skate park, walking trails, restrooms, two concession stands, 487 parking spots, and a large play structure by the south concession stand.

• **GRIMES SKATE PARK** is located at the South Sports Complex at the south end just off of South James Street. Parking is available by entering on the north side. Skate Park rules are posted at the entrance.
