

Lafayette County CARES Grant Phase III FAQ's

- 1. Are Small Business Grants Phases I and II closed? YES.**
- 2. If I did not apply in Phase I and II, may I apply for Phase III? Yes, for PPE, cleaning supplies and services, and physical improvements to buildings specifically related to stopping the spread of COVID-19.**
- 3. What is the date range for Phase III? March 1 thru October 31, 2020.**
- 4. If I have already received funding from Lafayette County CARES Grant, may I still apply for Phase III? Yes- up to a total of \$10,000.00 for all grants. Phase III is for PPE, cleaning supplies/services, physical improvements - such as partitions, sneeze guards, or building changes such as drive-up windows. All work must be completed by Nov. 30, and all receipts provided. Any receipts submitted after Nov. 30 will not be considered.**
- 5. Must I re-apply? Yes, with the attached form. If you have previously submitted a business license and W-9, those are on record and will not be required.**
- 6. Will I receive the grant funding up-front or are my expenses reimbursable? You must provide paid receipts for PPE and cleaning supplies or services. Physical improvement and protective equipment may be a combination of both receipts and plans. Physical improvements may be partially funded pending completion and submittal of receipts.**
- 7. Must the business be currently open and operational? YES.**
