Public Hearing to grant a special use permit 32 Main St.

Chairman Cullum opened the public hearing by reading the notice form the Sentinel at 7:03pm.

**Village of Scottsville
NOTICE OF PUBLIC HEARING**

PLEASE TAKE NOTICE, a public hearing of the Village of Scottsville Planning Board has been scheduled on Thursday, February 9th, 2023 at 7:00 pm at the Wheatland Municipal Building, 22 Main Street, Scottsville, NY to consider granting a special use permit for residential use for 32 Main Street, Scottsville, NY.

All interested persons will be given an opportunity to speak for or against the above proposed subdivision at the time and location set herein. Comments may also be sent via email to villageclerk@scottsvilleny.org.

Public comment opened at 7:04pm

Public Comment:

Lino Contestable spoke. His feelings toward the Special Use Permit is that it should not be passed. He has spent time on both the Village and Planning Boards when the code was being drafted. He feels that the code was not written for residential dwelling in the business district, and it is not in the best interest for Scottsville. He fears that it could set a precedent for others in the future.

Public Comment closed and Board Comment opened at 7:07pm

Board Comment:

The Board feels that putting a time limit on the Special Use Permit is the best way to handle 32 Main Street. They are considering a one-year lease that is possibly on a month by month basis if the building is sold within the duration of the lease. The Board also concluded to have the Public Hearing remain open until the March 9th, 2023 meeting.
