

Let freedom ring.

In a letter to George Washington, Thomas Jefferson wrote:

“No government ought to be without censors & where the press is free, no one ever will.”

Your free community paper works hard each issue to provide you with great value. That value comes to you, our readers, at no cost. To some, freedom of the press means freedom from interference from others. We believe freedom of the press means that connection to our community should not cost the reader. You should not have to pay to be connected to or be a part of this region. That’s why we’re free.
