October Pro Shop Sale

October is the escalating % off apparel sale.

The more you buy the more you save!

1st Apparel item = 20% off

2nd Apparel item = 30% off

3rd Apparel item = 40% off

Any in stock cart bags now 30% off!!

That is a \$60.00 savings on the most popular Ping Traverse bag.

Any in stock carry/stand bag now \$120.00!

That is as much as \$100.00 savings.

Now is also the time to stock up on Nike bottoms for next season. Our bottoms are on wheels which means they can be returned at the end of the year. Nike will be calling in the next few weeks asking for those returns so take advantage of our escalating % sale while we have stock.

All in stock shoes now 30% off. Our shoes are also on wheels so make sure to take advantage of the sales before these also get returned.

October is here and cool temps will not be far behind. If the forecasted low is anywhere close to 40 you can more than likely expect to have a frost delay that morning. It is important for everyone to note that if we have a morning that we have frost the course and practice facility will not be open until it melts off. Walking on a grass plant, especially shortly mown areas, will cause that plant to immediately go dormant and turn brown. We will do our best to keep early morning play informed of frost delays. However, it's better to be safe than sorry! If you feel like there is frost present, please stay off the course and practice facility until the temperature rises to such a degree that the frost melts off. Your cooperation is appreciated.

How Close is too Close?

The above examples show carts that are obviously too close to the green. At what point do I need to return to the cart path has always been an opened ended question. At our club we would like to see carts return to the path once you reach 30 yards from the green. Ideally, we would like to see carts utilizing the cart paths when traveling to and from shots which in return gives all golfers better playing conditions. When a path is not the most convenient, we ask that you utilize the rough. Exiting and approaching a cart path in random areas will also leave the turf in better condition. Repeated cart traffic will result in poor turf conditions. Please assist us in keeping your course in great shape by following these simple steps.

Clubhouse Hours

The clubhouse will open at 8:00 a.m. each day of the week during the month of October. Please note that you may not tee off prior to 8:00 a.m. on Saturday and Sunday as our maintenance staff needs time to prepare the course prior to play. **Please note that we will encounter numerous frost delays this month which will delay start times.**
