

Recital Program and Ad Information

Dance Unlimited of Paradis will produce a recital program with pictures of students, recital program order, business advertisements, and congratulatory ads. It is not mandatory to sell ads but highly encouraged as a way to express support and celebrate achievements of your favorite dancer. Families are encouraged to sell ads to businesses and extended family members not only to help reduce out of pocket expenses, but to build advertising support within our strong community. All ads sold will be printed in color and located in the back of the recital program. Each family will receive one recital program; however, more will be available for purchase.

Each dancer that sells at least \$85 in ads will have a color picture in the front of the book as well as a special trophy on stage at the recital.
