Our QuickStart Tennis Program provides a fun and exciting environment for our junior players aged 10 years and younger. Our staff of experienced pros focus on developing proper technique, movement, and motor skills through drills and games.

All equipment is modified to accommodate our younger students. Each clinic is a 1-hour weekly group lesson and is offered in 10 week sessions. At the end of each 10 week session, students can register for the next session, and/or be evaluated to join our Junior Development Training Program or possibly sign up for our adolescent tennis lessons.

Session 1 begins Sunday, September 15, 2024

Each 10 -week session costs \$421 total. There are no make-ups if a week missed. Our Pay-as-you-Go Program costs \$54 per clinic

I would like to register my child for this program and agree to the terms as described above.
