We are committed not only to building quality products, but also to building strong customer relationships. Our skilled design and production teams will keep you fully involved from start to finish.

Let Fontrick Door bring your next building project full circle.

EXQUISITE EXTERIOR DOORS

First impressions last a lifetime. And with the elegance and rich craftsmanship of a Fontrick exterior door, you'll make a personal design statement no one will forget. Available in both paint grade and stain grade, our exterior doors are constructed with the finest hand-selected hardwoods (FAS 2-sided) and are built to your exact specifications.

All of our exterior doors offer the following:

- Stile and Rail Construction
- Stave Core Stiles
- Joints Glued and Doweled using Marine Grade West System Epoxy
- Applied or Raised Moulding Options
- 1 3/4" or 2 1/4" Thickness
- Floating, Raised or Flat Extira® panels
- Kiln Dried Lumber to 6-8% Moisture Content
- Low-E Insulated Safety Glass (standard)
- Custom Glass Options

INTRICATE INTERIOR DOORS

Your interior doors provide essential separation between spaces in your home. However, we understand that doors do more than just open and close — they play a vital role in maintaining the architectural style of your home. With limitless custom design options, our interior doors will add the perfect finishing touch to any room. Available in paint grade or stain grade, all of our interior doors offer the following:

- Stile and Rail Construction
- Stave Core Stiles
- Joints Glued and Doweled
- $1\frac{3}{8}$ ", $1\frac{3}{4}$ " or $2\frac{1}{4}$ " Thickness
- Applied or Raised Moulding Options
- Kiln Dried Lumber to 6–8% Moisture Content
- Standard or Custom Glass Options

WONDERFUL WINDOW OPTIONS

Custom crafted hardwood windows are ideal when it comes to fulfilling the architectural look and feel of your building project. Whether you're recreating a historical style or bringing a unified look to every room, our full line of Fixed, Casement, Awning, Double Hung, Lift and Slide, and Bi-Folding windows will add beauty throughout. Fontrick windows are built to your exact specifications, come standard in Mahogany (other wood options available) and offer the following:

- 1 $\frac{3}{4}$ " or 2 $\frac{1}{4}$ " Sash
- Joints Glued and Doweled using Marine Grade West System Epoxy
- Simulated or True Divided Lite
- Brass or Stainless Steel Hardware
- Exterior Fixed Screens or Interior Roll Screens
- Weights and Chains Balance System or Invisible Balance System
- Low-E Insulated Safety Glass (standard)
- Custom Glass Options

STYLISH SCREEN & STORM DOORS

Open your home to the fresh air in the warmer months and insulate it in the colder months. A Fontrick hardwood screen or screen/storm combination door will not only add to your curb appeal, it will also add years to the life of your exterior door. Available in paint grade or stain grade — and with several layout options — all of our screen and screen/storm doors come standard with the following:

- Quarter Round Sticking
- Charcoal Aluminum, Charcoal Fiberglass, Bronze, Copper, Ultra View and Pet Screen options
- 1 $\frac{3}{8}$ " or 1 $\frac{3}{4}$ " Thickness
- Giro Hardware on Screen/Storm Combination Doors
- $\frac{1}{8}$ " Tempered Safety Glass for Storm Doors

STUNNING SCREEN PORCHES

A screened-in porch is a wonderful way to enjoy the great outdoors from the inside. And whether screening in an existing porch or building from the ground up, Fontrick has experienced craftsmen ready to create custom screen or screen/storm doors and sashes to complete any three- or four-season room. Available in several layout options, all of our screen and screen/storm doors and sashes come standard with the following:

- Quarter Round Sticking
- Charcoal Aluminum, Charcoal Fiberglass, Bronze, Copper, Ultra View or Pet Screen options
- Giro Hardware on Screen/Storm Combination Doors and Sashes
- ½" Tempered Safety Glass for Storm Doors and Sashes
