

MEMBERS HELPING MEMBERS – WEBSITE DESIGN REQUEST- EBLAST FOLLOWUP

From the requester:

Good Morning Lee

I wanted to thank you for putting out our request for help with our websites in October. Several people reached out with information and offers of help. We decided to go with Standard International Publishing Group, and I'm so glad we did. Connie and Simon are fantastic to work with. Rebuilding our former websites ended up being a much bigger task that we all thought and Simon did an amazing job. He called or emailed us on a regular basis keeping us up to date on the status of the websites. He told/showed us various options we could apply to the site, and offered numerous suggestions. We now have two great looking websites with everything current. We like and appreciate their amazing work so much, that as well as hosting our websites, we have signed a maintenance agreement with Standard International Publishing Group, to keep our sites current and running smoothly.

Thank you for posting our request for help. It sure helped us!

From the member who won the right to build out the site:

Hi Lee,

Happy New Year! I thought I would write you a quick note. I responded to Kathy Prince after reading your Oct. 8th Newsletter below regarding her need for rebuilding her website. We were able to help her with all her website rebuilds and hosting and get her up and running. I believe she may have sent you an email regarding our services. It has been a pleasure working with Kathy and I wanted to let you know we are here to help other members also if they are in need. I have attached one of our ads that you can feel free to post or pass along to others.

Thank you for all you do for your members, such a great organization!
