

## REQUEST FOR PROPOSALS

### UPTFIT OF EMERGENCY COMMUNICATIONS VEHICLE

---

**Issuing Agency:** Christian County Emergency Services (CCES)

**Address:** 110 W. Elm St., Room 50, Ozark, MO 65721

**Website:** [www.cces911.org](http://www.cces911.org)

**Operations:** 24/7/365 emergency communications and support

---

#### I. **Background**

Christian County Emergency Services (CCES) is seeking bids from qualified vendors to upfit a 2026 Chevrolet Tahoe PPV as an emergency communications vehicle. The selected contractor will be responsible for equipping the vehicle with advanced emergency warning equipment and transforming it into a mobile communications command center.

#### II. **Scope of Services**

- Install emergency warning lights, sirens, and public address systems compliant with state laws and regulations.
- Integrate radio communication systems to enable reliable operation in the field.
- Provide secure networking capabilities, including Wi-Fi and hardwired connections for multiple devices.
- Configure workstations, display screens, and command center technology for field operations.
- Ensure all equipment is rugged, weather-resistant, and suitable for emergency response environments.

#### III. **Evaluation Criteria**

- Licensed and authorized to conduct business in the State of Missouri
- Compliance with technical and safety requirements
- Quality and reliability of proposed equipment
- Cost-effectiveness and value-added services
- Project completion timeline

# Christian County Emergency Services

Administration: 204 West Elm Street – Ozark, MO 65721 – 417.582.1026

Communications Center: 110 West Elm Street, Room 50 – Ozark, MO 65721 – 417.582.1030

## IV. Proposal Submission Requirements
