

Dear Friends,

I want to welcome you to the 2021 Lincoln County Fair.

I hope you, your family and neighbors will join us for this exciting agricultural showcase. The theme, "Sunflowers, Boots & Agricultural Roots," assures there are plenty of adventures for everyone. The Lincoln County Fair offers all visitors the opportunity to experience the very best that Tennessee agriculture and farming have to offer.

Last year was difficult for us all. So many beloved community events were canceled to preserve citizens' health and safety amid the COVID-19 pandemic. The Lincoln County Fair Board and volunteers work hard to create an enjoyable fair, and I know they are proud to resume that tradition this year.

The Lincoln County Fair provides families and friends the chance to be together and experience agricultural events and educational programs. Come cheer for your favorite animals at the livestock shows. See the beautiful flowers and crops your neighbors have grown and nurtured. Be tempted by the sweet and savory smells from the baking and cooking contests. And support the 4-H and FFA members who worked so hard to showcase their projects at the fair. People of all ages will have fun and learn more about our great state of Tennessee.

The Lincoln County Fair is commemorating its 116<sup>th</sup> fair in 2021, and I hope you will join us in celebrating all that makes Lincoln County so special.

Sincerely,

A handwritten signature in black ink, appearing to read "Charlie Hatcher".

Charlie Hatcher, D.V.M.  
Tennessee Commissioner of Agriculture
