Prince & Princess Camp

July 25 - 28

"Why, we've met before." & "Bibbidi-Bobbidi-Boo" magic will come alive in our prince & princess camp. You will learn to train like a fairy and shield yourself from dragons!

*schedule is subject to change

**all camps require teacher approval prior to enroll

Jr. Assistant Program & Summer Intensives

Jr. Assistant Program

will select 2 camps to assist in *with teacher approval recommendation

\$275

For current 2nd year Primary I students & Up - who desire to learn classroom management, and train in an office environment. Assistants must possess a strong interest in dance education, have the maturity and disposition to work with children in a bustling ballet school and have reached intermediate-advanced proficiency in their own dance training. Students will have the option to receive CPR & First Aid training, paid separately.

Summer Intensive

Primary II students & Up* with teacher approval

Jr. \$300 / Sr. \$400 \$250

June 21 - July 4th August 1 - 5

An intensive and challenging training in ballet with a focus of barre exercises, strength and conditioning and incorporating extensive ballet technique and expanded choreography with multiple levels to perform on stage upon completion. Students will be studying the history, vocabulary, and independent study and school presentation of said assignment. A licensed dietitian will also take the students on a personal journey of balanced eating habits, nutrient analysis of food intake and goal setting.

Community service projects will also challenge and equip students to expand their horizons past the studio and their home and to give back to our community.

SUMMER 2022 PROGRAM*

Production season marks the end of the regular dance year. From the end of August through May, dancers big and small dutifully file into the studio week after week, practicing basic skills and learning the steps to put on a great show. But once summer rolls around, many dancers leave the dance floor behind for vacations, summer sports, and relaxation. Others, however, stay in the studio, building their skills and strength all summer long. We highly recommend your student to continue their study. As always, any student who receives a promotion and/or is in the Pre-Professional Division is to attend during the summer.
