

*A Note from the
Artistic & School Director:
Ms. Diana McCormack*

Welcome to The Wilson Ballet!

Our school is where we take dreams and turn them into a reality. A professional, structured and formal environment to educate the young mind thru dance to enhance them mentally, physically and emotionally to mature them thru the fine art and build confidence and a healthy lifestyle for a lifetime.

My training began at the age of 9 at the Nashua School of Dance and by age 11, was accepted as a student company member in the Montgomery Ballet Company. After attending the first magnet school for dance, Booker T. Washington H.S., where my love for a multitude of the performing arts developed, I attended the San Angelo Civic Ballet and begun my teaching career soon thereafter.

I have now begun my 21st season as an instructor and now my 9th year as the Owner of The Wilson Ballet.

I am a master instructor and travel across the state teaching Classical Ballet and Progressive Ballet Technique that I have been certified in since 2018. I am a NDA (National Dance Alliance) Certified Judge and a former MA (Marching Auxiliary) Judge. Our hope is to bring to Wilson County and surrounding areas, the county's premier Fine Arts School. We envision a multitude of opportunities thru and around our wonderful county lines a school that encapsulates the essential development of a fine art to produce outstanding performers and dancers, to exhibit our talents in a production school setting. We hope you join us for the journey of a lifetime.

SEASON 2022-2023*

Placement

Students will be placed in a class appropriate for their level of physical, emotional and technical ability. Class placement is subject to change at the discretion of the School Director. Students who have never danced before or who have taken an extended break from instruction will attend an evaluation class at the time of enrollment to ensure correct class placement.

Students will receive scheduling details and specific dress attire that is required for classroom instruction based upon enrollment. If a student is promoted at the end of the season, he/she is required to attend class during the summer to stay conditioned for upcoming year. For students in the Pre-Professional level are to continue advancing their level status a summer course of study is required.
