

Dear Friend and Business Owner,

On behalf of The Medina Ballet & The Wilson Ballet, I am writing you today to ask you to support the first classical ballet and performing arts school in both Medina and Wilson County. As their premier ballet school, we envision a multitude of opportunities for the performing arts to be showcased through singing, acting and dancing. Our goal is to produce outstanding performers and dancers, to exhibit their talents in a production school setting. We are a pre-professional, structured and formal environment that educates the young mind through dance to enhance the student mentally, physically and emotionally, to mature them through the fine arts, build confidence and a healthy lifestyle for a lifetime.

This year, we will be bringing the community a production with dancers performing in the classic fairytale, "*Snow White*" to the public school-aged children, at no cost to attend.

An educational and exhilarating production, infusing both fable and 21st century music. Please assist us in these truly remarkable endeavors that we are asking you to be a part of. When you advertise with us, your business will be represented with a large audience up to 800+ attendance and a large following on social media and our website. It is a wonderful way to promote your business and to show your support for the fine arts in the community. Attached is a variety of sponsorship opportunities that your company and/or family may be a part of and the deadlines that are involved. Your program will also be showcased for our public show in May.

As a thank you, we wish to also invite you to our show, please reference the attached order form of the quantity of tickets you will receive based upon your advertisement selection. If you are interested in joining us in our endeavor this year, please contact us at: 214.642.3612 and then simply take a few minutes to fill out the sponsorship form and send it to us today!

Sincerely,

Diana L. McCormack,  
Owner & Artistic Director
