

## SHORT-TERM MISSION TEAM HEALTH SCREENING

*All trip participants coming on a trip should answer the following questions before leaving for a trip.*

**1. Do you have or have you had any Covid-19 symptoms in the last 48 hours before departure? You do not need to check these if you feel that these symptoms are part of your normal health (headache, allergies, medicine side effects, etc.)**

1) Yes

2) NO

**2. Have you had contact with a known COVID-19 positive person according to CDC guidelines within 5 days of the trip? We will try our best to follow CDC guidelines.**

Yes – Please do not come on the trip this time unless you qualify under CDC exemptions.

No –Continue to next question

**3. If you answered yes to #1**

If you have symptoms that are not your normal health issues in question #1 please take a rapid test or PCR test 48 hours before departure. If you get a negative test result you may come on the trip, but if you have a positive result, you cannot come on the trip.

**4. You are responsible for following the CDC Guidelines**

While on the trip please contact a missionary or team leader if you start to feel feverish, body aches or have severe respiratory symptoms, at that point you will then be asked to quarantine at the base.
