# Shine Music Festival

"Thanks for giving me the gift of an accessible music festival. I felt empowered and confident to enjoy the experience on my terms and at my own pace. This is the first time I've ever been able to not depend on a sighted human to enjoy a festival like this. It was a blast!!! Can't wait for next year!"  
~Jordyn Castor

The Shine Music Festival is an event where people of all abilities can share in the power of live music together.

This year, Shine Music Festival will be held in Denver's Civic Center Park, bringing accessibility, inclusion and a lot of fun into the heart of downtown Denver.

Shine Music, a 501c3 nonprofit, relies on support from Corporate sponsorships to keep our events free for all. Your tax deductible donation will allow us to integrate additional cutting edge adaptive technologies that take live music to a whole new dimension.

Join us on our mission to make live music a barrier free inclusive space for all.
