My name is Abby Stout and I am a senior at Lincoln County High School. Upon graduation, I plan to attend the United States Air Force Academy with the hopes of becoming a medical doctor. The Main Street Student advisory board has given me an opportunity to take on a leadership role and help my hometown become the best that it can be. I will forever be grateful for the experiences I have received through the board and the guidance I have had through Mrs. Carol. Fayetteville is a special place, a place that helped me get to where I am today and I could not be more thankful for all it has done for me.
