Four Way Test of the Things We Think, Say, or Do...

*#1 Is it the
TRUTH?*

*#2 Is it FAIR to
ALL concerned?*

*#3 Will it BUILD goodwill and
BETTER friendship?*

*#4 Will it be BENEFICIAL to
all concerned?*

Our Program Today:

Bethany Reese, RN, Lincoln Health System

Presented by Carol Foster

A Registered Nurse with Lincoln Health System, Bethany Reese has been blessed with the opportunity to help launch and run the LHS Outpatient IV Infusion Center.

Bethany is a native of Lincoln County, born and raised in the beautiful Mimosa community. She has had a very diverse background, stemming from the Surgical Trauma Intensive Care Unit at Huntsville Hospital where she worked for over 10 years.

Bethany says she is beyond thankful to speak with each of us on the topic of the new addition of the Outpatient IV Infusion Center at Lincoln Health System and what the center offers the community.

Lincoln Health System, in its effort to provide the most comprehensive medical services to the area, is proud to announce the opening of the center. Infusion therapy services are provided for IV antibiotics and chronic diseases at Lincoln Medical Center, so patients won't need to travel hours away to receive this crucial therapy. Registered nurses and trained pharmacists have specialized training in IV infusion therapy and are focused on patient safety and comfort.
