

*"There is neither Jew nor Greek; there is neither slave nor free; nor is there male and female, for you are all one in Christ Jesus." ~Galatians 3:28 CEB*

Dear Wesley,

The day after Christmas, stores started making way for the next holiday. The cards and heart-shaped boxes of Valentine's Day replaced the tinsel and lights of Christmas. Valentine's Day is a tricky day for a lot of people. It can intensify feelings of loneliness in folks who are un-coupled or just generally isolated. And, of course, like so many of our other holidays, it has been commercialized and exploited for companies – florists, candy makers, and Hallmark – to make money.

Maybe you have reasons to love and hate the holiday, but I can rarely spend a Valentine's Day without thinking of a lesson I learned in elementary school. It was first grade, I think, and we were planning for our class Valentine's Day party. There would be candy and punch and games. And there would be valentines for every student. We were required to get the small valentines for everybody in the class.

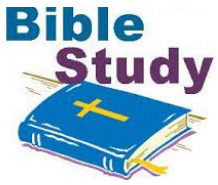

I remember vividly that I was uncomfortable with that. A big part of it was that I didn't want to give a card to one particular boy. This was the kid in class that always acted out. Not only was he disruptive, he also did really gross things...like eat glue and Play-Doh. We probably all remember that kid. And maybe, some of us *were* that kid.

I was reluctant to give him a card. But I remember my mom telling me that I had to give everyone in the class one...that I couldn't leave anyone out.

As I've grown and learned more about Jesus, I realize that was a lesson in discipleship. It obviously stuck with me through the years. I still remember the boy's name. I still remember what he looked like. And even if I didn't really like him, I couldn't leave him out. Jesus didn't leave anybody out.

As another Valentine's Day approaches, I reflect on who is left out. No one is left out in God's eyes, but our world doesn't always look like the world as God intended. We fall short, and we leave lots of people out. I think about the ways that the church leaves people out. We do it in small and large ways. In small ways, we don't always extend a warm welcome to guests who do come through our doors. In large ways, the church leaves whole groups of people out, because some lobbying group decided that the way God made them disqualified them from church service.

### PASTOR'S BIBLE STUDY-TIME

Please join us in person every Tuesday from noon to 1PM for Bible Study as we continue our study of 1st Corinthians.

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

(Continued from page 1)

Looking back at that kid from my first grade class, I now realize that he probably had some issues that I didn't have. I don't know what his family situation was, but now I think they probably didn't have a lot of money. His behavior made him the object of teasing and alienation. I have a feeling the kids were laughing at him, not with him. I can't imagine what life was like for him, but I think if there was anybody that needed to be included and get a Valentine, it was this kid.

What are you doing to make those that are left out feel included? What can the church do to make those that are left out feel included?

The scriptures teach us that God's love is for everyone; no one is left out. It's available to all of us. I pray that we are living into that love and making sure that no one is left out. And I ask you to pray as well: that we as a church, the Body of Christ, have open hearts to the movement of the Spirit and ensure that everyone – regardless of age, race, sexual orientation, gender identity, political affiliation, or anything else – is included in our church. Pray that our church won't leave anyone out. Because God doesn't leave anyone out.

## WESLEY WEDNESDAY SUPPER

FROM THE KITCHEN COMMITTEE

Our next regular Wesley Wednesday supper will be on February 12th at 5:30 PM. It's the one you've been waiting for—MEATLOAF! In addition to a salad bar and dessert, we will serve a plated dinner consisting of a said meatloaf, green beans, and a roll for only \$7.00 per meal. And for a family of three or more, you get a special price of \$20 max. We need at least 25 people to sign up for this to happen, so come and get a meal, either take-home or dine-in, and we hope you'll stay to eat with your faith family and enjoy the fellowship. After all, this *is* our FELLOWSHIP dinner!

Please RSVP to the office by February 10th.

*Donna Weseman*

## COFFEE WITH THE PASTOR

Coffee & Conversation started back up again last month! We're going to experiment with gathering monthly instead of weekly for the next couple of months, and I expect we'll probably end up landing somewhere in the middle like bi-monthly. Our next meeting will be on February 21st at 9:00 AM at Balloo's Coffee and Donut Shot, just west of the church on NW 23rd AVENUE.

## MISSION OF THE MONTH

### BREAD OF THE MIGHTY FOOD BANK

Bread of the Mighty Food Bank has been helping to feed Gainesville and surrounding areas for 36 years.

They collect, sort, store and distribute donated food and basic essentials to over 200 nonprofit agency partners such as food pantries and feeding programs. Their dedicated team hits the road five days a week to collect donated food from generous retailers and wholesalers, which is then redistributed back into the community, addressing hunger and supporting those in need throughout Alachua, Gilchrist, Levy, and Union counties.

In May 2023, the organization proudly joined Feeding Northeast Florida as a branch, expanding their reach to collectively serve 12 counties in Northeast and North Central Florida. The collaborative strength and efficiency inherent in this network ensure not only immediate impact but also long-term, enduring success. Together, they strive to make a significant difference in the lives of those they serve, fostering a resilient and nourished community for years to come.

Volunteers are an essential support network to their warehouse staff. They welcome both individual and group volunteers including churches, corporations, students, families, and more. The warehouse is open Monday-Friday, 9am-3pm. Please visit [breadofthemighty@galaxydigital.com](mailto:breadofthemighty@galaxydigital.com) for more information.

# RUMMAGE SALE

Saturday, March 1  
7:30AM - 1:00 PM

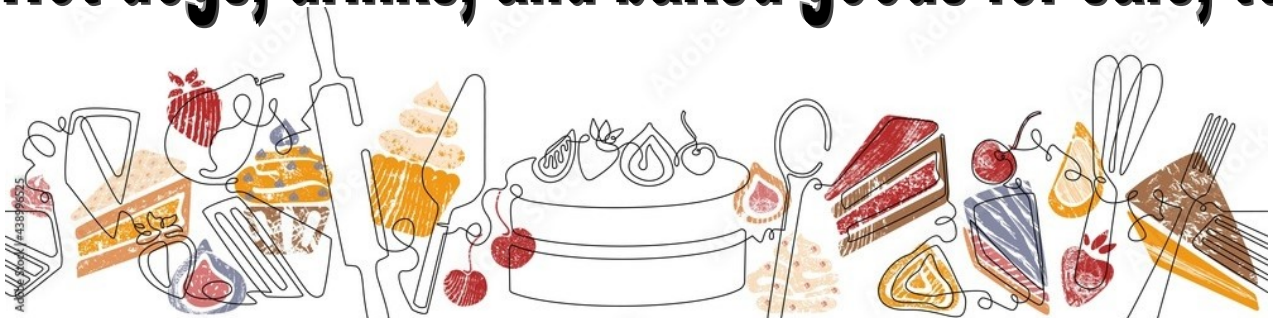

Bring in donations February 23-26 between 9AM—1PM  
Please, no books or clothes!

**THREE big rooms of great stuff for sale!**

**Free coffee**

**Hot dogs, drinks, and baked goods for sale, too**

## WE NEED YOUR HELP!

We are having a rummage sale on Saturday March 1st (see the poster on the previous page). We can't do this alone—it requires lots of manpower. And womanpower! We will have goods in three different rooms, so we will need people there to supervise and help the shoppers. We need people to help sort and place the goods in the right place in each room, and we need things to be priced. If you're handy with electronics, it would be nice to check over any donated electronic items to see if they actually work! And of course we need bakers and people to serve hotdogs during the sale. Call Donna or Sharren with your volunteer information!

Please print copies of the poster page and pass it around to your friends, neighbors, and stores you patronize.

## DON'T THROW AWAY THOSE PLASTIC BAGS OR PLASTIC FILM!

Hurray! We are well on our way to collecting the 1,000 pounds needed to get a beautiful bench made of recycled plastic film. Plastic films must be clean, dry and free of food and organic residue. Please note that we **cannot** take water bottles, cracker trays, plastic utensils, or berry-box type plastics. If it crackles when you squeeze it, it's not the Right Stuff...

Thank you so much for your tremendous response to this project. I think the spot where the gazebo used to be would be a good place for the bench. And some flowers, too! We even discussed what color bench we wanted at the January Leadership Council meeting!

*The planet thanks you,  
too.*

Sharren hauled these over to our collection point on January 27th—about 84 pounds in this load alone! This puts us within about 24 pounds of our goal of 1000 pounds, and altogether as a community we are approaching 2,000 pounds since we first started this project with Southwest UMC. The first 1000 went towards Southwest's free bench. Ours should be coming very soon at the rate we're going! Keep up the good work! There are several other churches pitching in, so we need to keep the donations coming to help them get their benches.

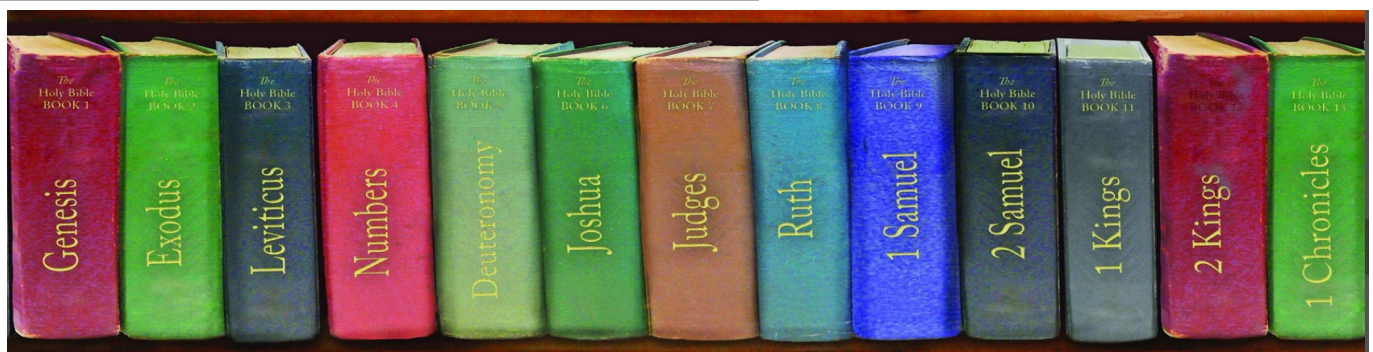

Pastor Kolby had a great turn-out for his Bible Study class on January 28th. We are studying 1st Corinthians, and one of the first questions we discussed was "if you knew the end of the world was next year, what would you do differently?"

That's a pretty heady question to consider...

Is your life in order?  
Are you "right with God"?

## THANK YOU, DONNA WESEMAN!

Many thanks for stepping up to manage our missions work. It is truly in God's hands again!
