BACK TO SCHOOL

Royal Table Inc. Newsletter

In this issue:

- Introduction
- 8/30 - Open House
- Youth Enrichment
- Editor's Notes

Introduction

We are so excited to announce our Partnership with your school. One of our Founders use to attend this same school and it is very dear to us. Allow us to share briefly who we are and what we do to give back to the community. Royal Table Inc is a 501 (3) c organization that provides Youth Enrichment programs, classes for Disaster Preparedness and Financial Literary just to name a few.

August 30th Open House

Come visit our table

Q: What will be at out table?

A: Free school supplies, raffle tickets and more.

Q: Who else is attending?

A: Our friends from RPX will be attending and they have made donations. Together, we will be raffling two Back-to-School baskets and 1 gift card for a special parent.

"We are going to have workshops during school hours for each grade level and once a month workshops for Parents"

-Royal Table Inc

Tell us about the Youth Enrichment Programs

One of youth enrichment programs is geared to technology in which the students will learn logo creation, how to create and send emails among other technical skills catered to their specific grade level.

Editor's Note

These are some very unprecedented times.

Many families are facing decisions that leave them baffled. We want to bring some solutions. One solution, we provided with a few of our friends was to give new stylish clothes for two students identified as homeless by the school. **The smiles and appreciation was priceless.** We also focus on mental health awareness extending an olive branch so one does not have to figure it out alone.

Serving the community from the heart
