

[Reading the Headlines Is Just the First Step](#) The real work happens when parents organize, share information, and show up together. UARE turns awareness into action - through outreach, digital tools, and local engagement focused on MCPS decisions that affect your child's daily school experience. Even a modest donation helps us: · Maintain our website and weekly newsletter · Reach more Montgomery County families · Support parent-focused school board candidates If this newsletter helps you stay informed, please consider helping us keep it going. **[Make a small donation to support UARE's work.](#)**
