## Library offers a Cool READtreat

by Jeanine Hofbauer

As summer's heat sizzles Pocono Mountain Public Library director Anne Shinovich shared an invitation to settle in for some air-conditioned options during the Coolbaugh Township meeting on July 19. Reporting over 4,170 visits in June with 106 new patron cards issued and

nearly 150 kids registered for the summer reading program, she noted the "cool" idea is spreading.

Adding libraries throughout the county are sites for the Pokemon Go craze, they also provide indoor amenities including WiFi and family friendly programs, along with of course — books!

Resolution #5-2016 was adopted authorizing the solicitor to file a declaration of taking under the Pennsylvania Eminent Domain Code for portions of properties along Route 196 for the turning lane project at Country Place Drive. Three parcels owned by A Pocono Country Place

## PMSD shares the view

by Jeanine Hofbauer

Eyes squinting are a thing of the past as Pocono Mountain School District opens wide angle opportunities to share stats on the school district starting with the July 20 school board meeting. Acknowledging the Swiftwater Administrative Office campus as a hubspot for training and presentations, directors applauded administration and IT for seeing the potential of new screen technology.

James Lynch of D'Huy Engineering took attention outdoors, dishing the dirt on district fields as East and West High School turf time nears.

Reviewing massive stone removal with photos chronologically illustrating progress at the athletic fields, he reported dates for completion are on track for soon after students get back, with both "substantial" completions the first week of September.

"It was a surprise this year," said business manager Joe Colozza as the board reopened and then approved the 2016-2017 budget. An increase of \$1.7 million in Basic Education State Subsidies, combined with adjustments to expenses, resulted in an addition of \$70,000 to the district

# Tricky Tray on Saturday supports Blakeslee Community Center

Blakeslee Community Center will host a Tricky Tray event this Saturday from 1 to 5 p.m. There will be baskets and certificates for local attractions.

A flea market/sale will also be taking place at the Community Center, which is located at the corner of Routes 940 and 115 in Blakeslee.

The Blakeslee Community Center is owned and operated

by the Blakeslee Community Association, a non-profit organization made up of local citizens who seek to bring the community together through various activities and events at their historic center.

The community center building became the center of activity in Blakeslee beginning in the 1920s, and continued for decades thereafter. Over

the last decade the center became underutilized, and fell into disrepair.

In 2009 a reorganization was undertaken, and a new board was elected. Over the last seven years the board has worked to bring the center back into the focus of the Blakeslee Community, as well as to update the building.

# Biggest Winner Challenge is back

According to the Centers for Disease Control and Prevention, more than one-third of U.S. adults are obese. Pocono Medical Center looks to make Monroe County the exception, announcing the return of its fourth consecutive Biggest Winner Challenge.

The Biggest Winner Challenge is Pocono Medical Center's 6-month lifestyle-changing program from July 26, 2016 to January 24, 2017 designed to help individuals take control of their lives, lose weight, and become healthy. As an exclusive Pocono

Medical Center Healthy Living Series program, this challenge provides the opportunity for people in the community to embark on their own health journey.

The program was inspired by PMC's Dr. Musa Tangoren, a board-certified anesthesiologist, who became aware that there was a strong interest in his knowledge of fitness and healthy living from staff. The program involves motivational and education talks given and backed by expert dietitians, nutritionists, and physicians and providers of PMC. Dr. Tangoren, alongside

other staff and professionals, directs and coaches the participants throughout their entire 6-month journey toward healthier, happier lifestyles.

The implementation of the program has an astoundingly positive impact on the community, with over 6,000 pounds lost from the first three challenges.

To become a participant, there is a one-time flat fee of \$20 for registration. The challenge meets every 2nd and 4th Tuesday of the month. Meetings and weigh-ins will take place at East Stroudsburg University's Abeloff Auditorium and will be held from 6:30-8 p.m.

For more information about the Healthy Living Program, visit [poconohealthsystem.org/healthyliving](http://poconohealthsystem.org/healthyliving).

# Lions Club historical roadside marker dedicated

by Rick Bodenschatz

The history of Tobyhanna Township was unveiled on July 18 when the Historical Roadside Marker, "Tobyhanna Township" was dedicated. The Pocono Lions Club donated this historical marker, with the volunteers of the Marker Advocates of Tobyhanna Township coordinating the dedication event.

This historical marker is located at the Lions' flagpole park in Pocono Pines, near the traffic light at the intersection of Route 940 and Route

Lions president Sean Naughton presenting the historical roadside marker "Tobyhanna Township."

Additional historical information can be viewed on MATT's website at [www.tobyhannatwphistory.org/markers](http://www.tobyhannatwphistory.org/markers). There, other roadside markers can be viewed, along with information about the entire program.

In addition to members of the Pocono Lions Club, PA State Representative Jack Rader and the Board of Supervisors of Tobyhanna Town-

ship attended the dedication.

Addressing the attendees, Lions President Sean Naughton remarked that the Lion's donation of this marker represents the foundation of our community, with its long history of growth through support of volunteers within the community. The Pocono Lions raises thousands of dollars every year to help those in need within our area.

Scheduled for unveiling on August 1 at 5 p.m. is the marker "Lumbering," which traces the history of the harvesting of our virgin-growth forests during the 1800's. Its location is at Hanna's Farm Market at the corner of Route 940 and Stoney Hollow Road, just west of Pocono Pines. The Monroe County Commissioners donated this historical marker.

In the coming weeks, installation is planned for markers entitled "Lutherland," "Wagner's Tree Farm," "Blakeslee United Methodist Church," and "The Battle of Locust Ridge." These will be followed by "Naomi Pines House," "Sullivan Bridge," "The Stagecoach Inn," "William Henry Christman" and "Jacob Blakeslee, Jr." During the fall many more will be installed.

The **Blakeslee Pharmacy** wants to join the community in saying good-bye to **Dr. Fino, Dr. Stachowiak and their staff** — we'll miss you!

# HATT's annual picnic: "Survival in a Post Ice Age World"

Tracing 11,000 years of human evolution in the Poconos, Clovis people were the earliest inhabitants of the region when they choose a campsite along the Delaware River at Minisink Hills, Monroe County.

At HATT's Annual Picnic on August 11, hear from presenters Nell Fossa and Russ Cramer what a typical post ice age Clovis hunter encampment would have looked like. How did they adapt to survive in that harsh environment? What animals did they hunt, what type of weapons would they have used, what tools would they have needed, what form of shelters did they live in? Why camp at Minisink Hills?

The presentation moves forward in time to the Archaic Period in the Poconos 4,000 years

Mastodons roamed the area. A skeleton of one this size was found a short distance from Minisink Hills in East Stroudsburg, and is on display at the PA State Museum.

ago. Hear how environmental changes affected life, followed with the Woodland Village of 1500 years ago. See illustrations of the tools and their new agricultural life. An exhibit will show examples of artifacts that date from each of the three periods.

Nell Fossa will be a senior at Notre Dame High School. Russell Cramer is a graduate of Gettysburg College and is retired from the family business, Cramer's Home Centers. Nell & Russell have a life-long interest in local Native American cultures and the archeology of the region.

Site of the picnic is the Austin T. Blakeslee Natural Area on Route 115, about 0.8 miles south of Route 940. It is at the southernmost of the two parking areas, in a beautiful setting on the banks

of Tobyhanna Creek. It begins at 11 a.m. HATT asks that attendees bring a salad or desert. A BBQ entrée and drinks will be provided.

The meeting & picnic is open to the public and is free of charge. No advance reservation is required. If you have questions, call 570-580-5353, or write to hatthistory@msn.com. # Enjoy wildflowers at Darling Preserve

The Nature Conservancy invites the public to join guest naturalist Allison Hamilton for a wildflower walk at the Thomas Darling Preserve in Blakeslee on August 21 at 2 p.m.

Walkers will explore the 2,500-acre Thomas Darling Preserve, where they can see a variety of wildflowers and glacial wetlands via a two-mile trail and boardwalk system. Along the way, the leader will point out late summer wildflowers in bloom.

The Darling Preserve hosts two rare plant species as well as one of Pennsylvania's largest native spruce forests and undisturbed peatland system. A small stream, Two Mile Run, emerges from underground springs and seeps, feeding into Tobyhanna Creek on its way to the Lehigh River. The area teems with wildlife typical of the Pocono Plateau, including black bears, river otters, and snowshoe hares. Wildflowers abound, as do blueberry bushes and nesting songbirds.

The walk, free to the public, will take approximately 90 minutes. Please wear sturdy shoes or boots as the trail can be rocky and uneven.

Advance registration is required. Call The Nature Conservancy's Hauser Nature Center in Long Pond at 570-643-7922, ext. 310; or email [Karin.metrock@tnc.org](mailto:Karin.metrock@tnc.org) or sign up online via [www.nature.org/Pennsylvania/events](http://www.nature.org/Pennsylvania/events). Call for directions to the site.

The Nature Conservancy, a private, non-profit conservation organization, manages the preserve and co-owns it with Wildlands Conservancy and Tobyhanna Township. The Tom Darling Preserve is open to the public, with a parking lot and trailhead on Burger Road just north of Blakeslee.

For more information on the new trail system at the Thomas Darling Preserve, contact The Nature Conservancy at 570-643-7922, ext. 310, or go to [www.nature.org/pennsylvania/placesweprotect](http://www.nature.org/pennsylvania/placesweprotect).

# Seth's Sightings by Seth Isenberg

If these are summertime's dog days, they are hot dog days. With temperatures around 90°, they've been hot everything days. I'm not best in a constant air conditioned environment, except when it's this hot and humid like this. Now I'd rather be inside, than out.

Ruth and I still tried to be outside where possible. On Tuesday after The Journal-Herald was sent to press we had a light meal outdoors on the patio of the Mountain Laurel Golf Course. Our timing allowed us to watch the full moon rise as we finished.

Thursday night we were at the Linda Creed Lake Timber Trails Breast Cancer Rally wrap-up dinner at the Lake

Naomi Club. The event features various auctions and raffles for a stylish, fun end to what is a big fundraising effort for a serious, worthwhile cause. Money raised goes to help local women with their expenses during treatments for breast cancer. It looks like this year was the best yet.

We were outside again on Friday evening to enjoy the White Haven Fire Company Bazaar, and then moved into a good spot to enjoy the annual big parade of fire trucks, almost 50, including a set from Tunkhannock Township's Volunteer Fire Department, Penn Forest VFD#2, and Albrightsville #s 1 and 2.

Saturday both of us volunteered at the Night at the

Races held at the Tunkhannock Township VFD's building in Long Pond, hosted by the Blakeslee Rotary Club and the TTVFD. It was a fun night.

On Sunday we did our best to keep cool, staying inside our house except for some newspaper errands. That night, however, we went to one of the opening performances of Blithe Spirit by Noel Coward at the PA Shakespeare Festival at DeSales University. It's fun, it's funny, and the performances are pretty much spot on, definitely worth the trip and good tickets are available (and it's nicely air conditioned).

Sightings this week included a rather fast mov-

ing bear that rushed across Route 940 in Pocono Pines between the TEC fields and the woods on the south side of the road. On another trip, this one between Blakeslee and White Haven in the area of Jack Frost National, I was driving west as darkness set in when we came upon a good-sized buck standing in the middle of Route 940. He didn't move as I approached, so I opened up my window and put my arm out, then yelled and waved at him. I don't think I impressed him any, but it was enough to get him to move off the road.

This week is NASCAR's at Pocono International Raceway. We'll be at the track Friday evening for the ARCA race, Saturday afternoon for the Craftsman Truck race and Sunday afternoon for the big NASCAR Sprint Cup race. Admission to Pocono for Friday's race and a walk around the Fan Fair is only \$10. For Saturday, seats start in the mid-grandstand are just \$35 – again a true bargain for a national sporting event. Come out and join us.

So, with seeing the races, we also plan see many of the Buck Hill/Skytop Music Fest events. We'll attend the opening night Broadway review at Pocono Mountain East High School in Swiftwater, and on Saturday the Opera and Choral event at the same theater. Both start at 7:30 p.m. (Friday's going to be a tight fit for us with the race that night...) Plenty of tickets are available for these opening shows, general admission is just \$33 for these national entertainers, and students only \$10. Reserve tickets if you can, or just come by this Friday or Saturday. Parking at the High School is easy and most of it close by.

As of early this week, there are still good seats available for the Cabaret show at indoors at Skytop next Sunday, August 7. Ruth and I really enjoyed this show last year, and are looking forward to it again. Do call soon for tickets to this show – I predict it to be sold out.

So, enjoy the heat – and keep cool.

## Explore an oasis near you

Many hikers seek places to get away from it all – to go deep into the woods or high up a mountain and escape civilization. But there's nature and peace to be found in busy places, too.

At 10 a.m. Saturday, August 20, the Get Outdoors Poconos hike series continues with a 2.6-mile, easy hike on Cherry Creek Loop near Delaware Water Gap – a perfect example of an easily accessible place for people looking for a quick commune with nature.

Laid out along Route 80, Cherry Creek Loop passes over and under the busy highway. Yet the trail is cool, shady and dense with trees offering rich habitat for wildlife. Concrete steppingstones lead across Cherry Creek and into the 28.5-acre park where Cherry Creek, Brodhead Creek and the mighty Delaware River meet.

Join Carol Hillestad for this easy hike of about 2.6 miles. Another walk – a very easy, shorter stroll suitable for people who are just starting to exercise – will be led by Dr. Nche Zama, head of the cardiothoracic surgery program at Pocono Medical Center, East Stroudsburg. Zama will discuss the ways walking protects your heart and contributes to good health and good spirits. After the short hike, there will be light refreshments and a question-and-answer session with Zama.

Meet at Minisink Park on River Road, Smithfield Township. Take Route 80 west to the Delaware Water Gap exit. At the first stoplight, go left, under highway. Parking is on right.

Tokens will be available for hikers to use for a free beverage or other treat at locations throughout Delaware Water

Gap, thanks to sponsors Legend Properties LLC and Jim DePetris, Strauser Nature's Helpers, the Village Farmer & Bakery, Water Gap Diner and Boucher & James Inc.

The hike is free, but registration is required. Call 570-839-1120 or 570-629-2727; email [info@brodheadwatershed.org](mailto:info@brodheadwatershed.org).

For information about this and other hikes in the free Get Outdoors Poconos series, go to [brodheadwatershed.org/gopoconos](http://brodheadwatershed.org/gopoconos). The hike series is administered by Brodhead Watershed Association and supported by a grant from the William Penn Foundation. This hike is held in partnership with Pocono Medical Center.

# Police Beat by Seth Isenberg

At 12:30 p.m. on Wednesday, July 27, Carbon County 911 called PA State Police—Fern Ridge to respond to a house fire on Patten Circle in Penn Forest Twp. where there was an elderly woman inside. Trooper Jonathan Bailey responded, arriving to find the home showing thick smoke and flames. He entered the building, encountering thick smoke, making several tries before finding the woman in the living room, conscious. He was able to assist her in exiting the home. The woman and other family members were then taken by ambulance to LVMC—Cedar Crest to be treated for smoke inhalation. Trooper Bailey had help on the scene from the Penn Forest Township Volunteer Fire Co. and Troopers Joe Urban, Christopher Tomlinson and Jeffrey Kreidler.

PSP-Lehighton responded to a call about a domestic incident that became a fight between a couple, 46 and 45, at 10:27 p.m. on 7-21, at a home in Towamensing Trails, Penn Forest Twp. The husband will

be charged with harassment. PSP-L had another domestic earlier in the day in Polk Twp. between a couple 45 and 47 where she is charged with hitting him.

PSP-L received a report from an area man that his .45 caliber Remington pistol had likely fallen out of this pickup truck bed between 7-22 and 25 as he was driving along Route 209 and Lower Nis Hollow Rd. in Lehighton. A citizen in nearby Mahoning Township found the pistol as he was cutting his grass — he turned it in to police there, and PSP recovered it from them.

A 31 y/o Saylorsburg woman's dog got loose from her Shady Oaks Rd. home and went after the neighbor's cat in the neighbor's yard at 6 p.m. on 7-22. The woman is charged with a dog law violation, PSP-L.

Area residents are reminded that NASCAR weekend brings heavy traffic to our area. Sunday morning, Route 115 will be one way south into the track from Interstate 80 to the parking lots, until the race

start. That pattern becomes one way north at about 5 p.m. — until the lots clear that evening. Locals are best to detour around the Pocono Raceway area during heavy race traffic times.

### The Pocono Plateau is not HIGH enough for some

Pocono Mountain Regional Police on patrol on 7-24 just after 9:30 p.m. saw a woman drop a plastic bottle or cup from a blue car in the parking lot of Bill's ShopRite. The car then began to drive away. Police made a stop to charge her with littering. Police found a 26 y/o New Brunswick, NJ, man and 50 y/o Mt. Pocono woman in the car — and neither of them had a valid license. Both displayed indicators of criminal behavior. Consent to search was obtained. Police found heroin, some needles, spoons with white res-

idue and a crack pipe, and screening materials. Both are charged with drug and drug paraphernalia possession, and she for littering.

At 5:47 a.m. on 7-25, PM-RPD officers responded to a crash on Route 940 just outside Police HQ in Pocono Summit. A 35 y/o Albrightsville man had rear-ended a vehicle that was slowing down to turn into the HQ's driveway. Police talked to him, finding his speech slurred, and showing "glassed over eyes." He could barely respond to police questions. His four-week-old child was in the car. He was arrested for DUI with charges pending blood test results, and his child was placed with Monroe County Children and Youth.

PSP-L adds a DUI report on 7-24. They also had a public drunkenness on 7-23 where PSP responded to a call about a man sleeping in

a yard of a Forest Inn Road, Lower Towamensing Twp. property at 4:25 a.m. PSP arrived to find the man drunk. Palmerton EMS was called and took the 21 y/o to the hospital.

AND, from the June NASCAR weekend, this report: Police were called about a bus that was driving Long Pond Road around 5 p.m. on 6-6, passing vehicles in no passing zones — running cars off the road — throwing beer cans out the window. PSP and PMRPD responded and stopped the bus at Route 940. The driver was identified as a 20 y/o from Stroudsburg, who told police he was driving home from the race. He was drunk — he failed field sobriety tests and was arrested for DUI, underage drinking, and traffic violations.

entered the apartment of a 24 y/o Saylorsburg woman at 7:26 a.m. on 7-24 while she was home. He held a baseball bat against her head, demanding money owed. Prior to leaving the apartment, he smashed the front window. He will be charged by PSP-L with burglary and assault.

PSP-L is investigating a burglary at 590 Preachers Camp Road in Towamensing Twp. between 7-17 and 26 where the thieves got in through a basement door and ransacked the place, removing items.

A 24 y/o Belvidere, NJ woman was found to have items stolen from a Parryville

man on 7-23. She is charged with theft, PSP-L.

PSP-L and -Hazleton are reporting thefts from motor vehicles this past week. The theft at 366 Pheasant Road in Ross Twp. was a smash and grab — overnight 7-19 to 20 — where the thief smashed the front passenger window and removed the victim's purse from the front passenger seat.

PMRPD arrested a 31 y/o Beach Lake, PA, woman for shoplifting at Weis Market in Mt. Pocono after an incident at 3:32 p.m. on 7-22.

### Keeping the Rubber Side Down ...

PMRPD responded to a bus rollover off Route 423, just south of Route 196 in north Coolbaugh Twp. at 2:23 a.m. on 7-22. One teenaged passenger was

trapped. Coolbaugh Twp. Volunteer Fire Co. members extracted him. Eight teens were taken to area hospitals for car, and the teen who was trapped was flown to LVMC for trauma care. Five other teens and the adult bus driver were unhurt. The bus was traveling north on Route 423 and failed to negotiate a curve, causing the bus to roll over onto its driver's side — it slid to a stop on the road. PMR EMS assisted with transports.

A 61 y/o Effort woman had critical injuries after she crashed her '13 Kia Sorrento into a tree off Evergreen Hollow Rd. at 12:39 a.m. on 7-23. The road was closed for two hours. West End Ambulance assisted PSP-F — taking her to Pocono Medical Center. She was flown from there to LVMC Cedar Crest for critical care. She died at LVMC on 7-24.

PSP-L responded to a crash at Anchorage Rd. and Old Route 115 where

a Jeep's driver pulled out in front of oncoming traffic and was struck at 11:28 a.m. on 7-23. He was hurt, and taken to Pocono Medical Center by West End EMS.

A 19 y/o Saylorsburg-area driver did not stop his Dodge Neon at the red light at Route 209 as he came in from Burger Hollow Rd. just after 2 p.m. on 7-26. His car was hit by an oncoming Toyota Camry, disabling both cars. Injuries were minor to all. The 19 y/o was ticketed, PSP-L.
