## Parent and Player Code of Conduct

### **Mission**

It is the mission of BT Volleyball Club, LLC to provide a positive, competitive youth volleyball experience for player, parent, and coach. We/I emphasize long-term player development of physical, emotional, and social skills. While winning is an absolute priority in most club volleyball teams, winning will not be placed above good sportsmanship (defined as respecting rules and procedures set forth below, teammates, coaches, officials, opponents and oneself). It is our goal to create an environment that will benefit the individual as well as the team.

Your daughter/son has joined an elite, competitive volleyball program. Competitive team athletics, by its very nature, creates situations where everyone may not be happy all the time. Team success is intimately linked to individual success. Each player will fill a necessary role on the team. Although some roles are larger than others, none are insignificant to the overall success of the team. Coaches will discuss and define each role with the individual. Players are encouraged to use practices as an avenue for further developing their skills and expanding their role on the team. Players and parents must understand that the only desire of the coach is to assist the team in reaching its full potential. We/I can only achieve this by encouraging, acknowledging and supporting each other's efforts in practice, scrimmages and tournaments.

### **Expectations**

This **Code of Conduct** is a written contract between parents, players, and coaches to abide by the policies and procedures of BT Volleyball Club, LLC. We/I expect all parties to maintain a positive attitude and uphold the ideals of fair play and good sportsmanlike behavior. This contract is more than just paper, it is our policies and procedures and adherence to these policies and procedures is of primary importance. To participate in BT Volleyball Club, LLC, all players and parents are required to agree to and sign this Code of Conduct.

### **Zero Tolerance Policy:**

BT Volleyball Club, LLC has adopted a **Zero Tolerance Policy** towards certain policies and procedures in the Code of Conduct. **Failure to follow the Zero Tolerance policies and procedures of the Code of Conduct can result in your daughter/son being dismissed from the club.**

  - A. We/I understand there are no exceptions to this requirement and that our daughter/son may not be able to play without completing this requirement. 12. We/I understand that any information that needs to be disseminated will be done so by our daughter's coach, or the BT Volleyball Club, LLC Directors.
13. We/I will get our daughter/son to practice and tournaments on time (15 minutes prior for practice and 1-hour prior for tournaments) and will pick her up on time. We/I understand that if our daughter/son is late, not ready on time, not in the appropriate attire, she may be disciplined by the coach, at the coach's discretion.
14. We/I understand that if our daughter/son cannot come to a practice and/or tournament, the coach needs to be notified as soon as possible.

## **Parent and Player Code of Conduct**

1. We/I understand that team selections are made by the team's head and assistant coaches. We/I trust their judgment and will be supportive of our daughter/son and the team for which she was chosen.
2. We/I understand that playing time is not guaranteed and is left solely to the discretion of the coach. We/I understand that We/I are paying for practice and that our daughter/son may not have any playing time at tournaments.
3. We/I understand that issues surrounding playing time will be handled in the following manner ONLY. We/I understand there will be NO EXCEPTIONS. We/I understand if this chain of command is not followed, there will be no discussions regarding playing time.
  - a. We/I understand our daughter/son must approach the coach first regarding issues concerning playing time. We/I understand this should be done before or after practices, but NEVER before, during or immediately following a tournament. While it is the intent of the BT Volleyball Club, LLC coaching staff to have an "open-door" policy, please adhere to the "24-hour rule" and do not approach or confront a coach during or immediately after tournament play. It is suggested that the parent prepare an e-mail to the coach 24 hours after the tournament is over to set up a time to talk.
  - b. We/I understand that ONLY if our daughter/son has approached the coach first and there is still a concern, then the parent may request a meeting with the coach. We/I understand this request for a meeting must be made before or after a practice and that the meeting will take place at another time or place as there will be no "walk-up" meetings with our daughter's coach. We/I understand it is always best for our daughter/son to address concerns directly to the coach, and that if We/I still wish to have a conference with the coach; We/I should be prepared for FRANK answers. We/I understand that coaches WILL NOT discuss "coaching decisions".
  - c. Coaching decisions will include, among other things, specific match decisions (who played when, who was subbed out and when, etc.). We/I understand the amount of time our daughter/son is given on the court is the result of a complex determination, in her coach's opinion, of our daughter's ability, the athlete's potential, the athlete's position and the team's needs at the moment and the team's needs for the future. We/I understand the coach will not be required to defend his/her thought process or conclusions in these determinations, and it is improper for a parent to make that request. In addition, We/I understand coaches have been instructed not to discuss any athlete with a parent other than the parent's own child.
  - d. We/I understand that if We/I feel our concern has still not been addressed, that We/I can ask to speak to the Coaching Director. We/I understand the procedure will be to complete an Issue Resolution Form and submit via email and allow the Coaching Director to respond in 48 hours in the event he or she is not out of town at a tournament. Please allow return time to schedule a meeting.

We/I understand asking uninvolved persons to take sides in an issue is unfair to the third party and to the club. We/I understand that if We/I are approached and asked to listen to or express an opinion about matters between two other parties in the club, that We/I are strongly encouraged to direct the complaining party to take the matter up with our daughter's coach, the BT Volleyball Club, LLC Coaching Director or the Club Director.

### **Travel Policy**

At BT Volleyball Club, LLC We/I expect our players and coaches to represent the club in a professional and respectable manner when traveling to and participating in tournaments. All players will be expected to follow the rules stated in player and Parent Contract. The off-court actions of our players and coaches are just as important as those on the court. In today's recruiting atmosphere college coaches are looking for players who are well disciplined both on and off the court.

As part of our player development We/I strongly believe in players staying as teams when they are at a tournament. You will find the teams that are the most successful and that compete at the National level have team chemistry and have developed a team concept. This is also becoming an important characteristic, coaches at the next level are looking for in recruiting players. We/I want to make sure our athletes are fully prepared in all aspects of the game. We/I do understand that this may cause an additional cost for our families who travel to tournaments but it is one that has value in the development of their daughter.

All players must secure transportation to all tournament locations. Players must arrive to the hotel by the specified time and attend all team meetings. Players must also remember to bring meal money when attending tournaments.

Absolutely no boys are allowed at the team hotel. All players will have curfew every night. Players are not allowed to leave the room after curfew unless it is an emergency in which case they will call the coach. Prior to curfew players will always travel in groups and never alone. Players are not to leave the hotel or playing venue without notifying their coach. Drugs, tobacco, and alcohol are of course strictly forbidden. Players caught with the above will meet with staff and their parents to determine the course of action. Punishments will be swift and firm.
