"A WEATHER OR NOT" DAY CAMP

CALLING ALL WEATHER CAMPERS + YOUNG METEOROLOGIST

This program is brought to you by The Baptist Health Foundation, Floresville Electric Light and Power System, HEB, Walmart, Usborne Books, Floresville 4a Corporation, and The City of Floresville.

First Summer Day Camp Session (June 10th-27th) Registration Starts May 1st

June 10th	How do clouds make rain? Where does thunder and lightning come from? Rain, rain go away? No, not today! Build your own rain gage.
June 17th	Thunderstorms, Tornadoes, & Cyclones, Oh My! Build your own anemometer & weather vane.
June 24th	Everything you need to know about ice & snow. Let's make summer snowflakes.

Second Summer Day Camp Session (July 8th-25th)

July 8th	So you want to be on T.V., like a Meteorologist ? Learn about all the tools that help predict the weather. Let's go on Camera!
July 15th	Weather Phenomena - Learn about 20 different weather phenomena like Moon bows or non-aqueous rain where rare and yet real cases exist of raining fish instead of water . Let's make a real rainbow.
July 22nd	Why is it hot in the winter and cold in the summer in some parts of the world. Let's build a thermometer!

- \$125 per week for 1st child. Discounted fees after first child in same family.
- A \$20.00 annual membership fee and participation in the Summer Fundraiser required.
- **Limited amount of Day Camp Program Scholarships are available upon request.**
