

TUITION FOR THE 2024-2025 ACADEMIC YEAR

The successful education of a student at Saint Matthew's Episcopal School depends on a positive relationship between the school and families. To nurture and sustain a successful working relationship, both parties in the partnership must fulfill specific obligations and expectations. Saint Matthew's receives minimal funding from local or state government and none from Saint Matthew's Episcopal Church or the Episcopal Diocese of Louisiana. The primary source of revenue is through tuition. Tuition payments must be made according to the online "Enrollment Contract" digitally signed by each family so that payroll and other school financial obligations are met on time.

All Grade Levels: \$6,154 annually **

**Separate fees are not assessed for Technology, PE, STEM Lab, Field Trips, Art, or School Supplies; these fees are included in tuition.*

Saint Matthew's expenses are incurred on an annual basis, and the budget is based on students remaining the entire year. To ensure that the annual budget is not compromised, the following refund policy applies for all students:

- If student withdraws prior to the first day of school, 75% of annual tuition is refunded.
- If student withdraws prior to or on September 30, 50% of annual tuition is refunded.
- If student withdraws after September 30, no refund is given.

If a student withdraws from Saint Matthew's, the Administration must be notified in writing by the parent or guardian.

Parents who select the semi-annual, quarterly, or monthly payment options through FACTS Mgt. are required to pay the remaining balance on their tuition accounts before student records will be released.
