

FIELD TRIPS

TNT is the perfect place to expose young children to their own potential. We know that gymnastics can provide a strong foundation for learning through experience, spatial awareness and motor skill development that forms a basis for all other sports, and we ensure you they will have FUN!

Each field trip is tailored to the age and make-up of its participants in order to help each child flourish in this positively impacting experience.

Pricing

1 ½ hours of structured play:

Structured field trips include visits to six stations: the foam pit/trampolines, obstacle course & bounce house, rock climbing wall, tumbling instruction, a balance beam circuit and a bar circuit. We will finish with a good stretch & a fun game to top off the day!

10-15 kids (1 coach) \$10 per child

16-30 kids (2 coaches) \$9 per child

31-45 kids (3 coaches) \$8 per child

46-60 kids (4 coaches) \$7 per child
