

The Index To
Nina Snow's
Uncle Sam's Boys

During WWII, Nina Snow wrote a monthly column for the Otsego Union newspaper called "Uncle Sam's Boys". During the years 1940-1945, Mrs. Snow reported on over 1,800 local service men and women, providing birthdates, mailing addresses and portions of letters written home. One of the service men she reported on was her own son, Robert E. Snow. Some reports were routine and interesting, and others were sad accounts of the over 25 service men that lost their lives during the war.

Nina Snow's "Uncle Sam's Boys" scrapbook is 148 pages, and the name index contains over 3,800 entries. You may find some variation in first and last name spelling, due to probable transcription and publication errors. This author attempted to enter the correct name spelling. The original scrapbook is located at the Otsego District Public Library and a digital copy may be found at the library and the Otsego Area Historical Society Museum.

In addition to "Uncle Sam's Boys", Mrs. Snow maintained a File Box that contained over 700 envelopes with individual service men and women's names, news clippings, duty stations and service number. Nina Snow's WWII Collection and index is available for research in the Otsego District Public Library. The index is also available on the Otsego Area Historical Society website, and at the museum.
