If your student has **only received 1 costume**, they should **not** have to wear their dress code leotard under the costume, unless it is part of the costume. They come in that costume and stay in it the entire time.

If Recreational female students have more than one class/costume they are performing in and need to be able to change, they may wear a skin tone leotard or their dress code leotard under their costume for convenience. **Absolutely no jewelry or nail polish is to be worn. PLEASE have students of age USE DEODORANT.**

**\*\*\*Should a dancer who is in more than 1 costume for the show, choose not be wearing a leotard under costumes, and costume changes are necessary, CHANGING, OF COURSE, IS ONLY TO BE DONE, BEHIND ENCLOSED DRESSING AREAS, RESTROOMS, OR IN THE POP UP TENTS PROVIDED FOR QUICK CHANGE STUDENTS.**

As these are borrowed costumes, we have done our best at fitting the costumes to your child. **If you wish to tighten any by using safety pins on the inside of the costumes, you may do so.**

All female students must have **NEW, UNMARKED, skin tone tights** --either convertible or full foot tights worn under their costumes as explained prior. We still have some available if you need to purchase them.

All students must have clean/non-torn, performance ready dress code shoes and tights for each of their performance routines in order to perform, with their name/initials inside the shoes.

All Hip Hop students must have their dress code black sweat pants, leotard or tank, black socks and black sneakers to wear for the performance underneath the accessory provided.
