Communications / Addressing / Mapping

Mark Gandee – Director

Addressing Schedule Fee's

Single Address Point **\$200.00 per Address Point**

Consists of a unique numbering GIS identification. Applicants must submit an application for approval.

Single Address Point – 200.00

2-10 Address Points – 200.00 per Address Point.

11 or more Address Points - Flat rate of \$2000.00 per phase of development.

Street Name Reserve List **\$200.00 per Street Name**

Maury County 911 will maintain a current up to date list of all roads in Maury County. A list of proposed roads will be maintained and have a 2-year expiration if there is no project progression through phases.

Address Determination Letter **No Fee \$0.00**

An official address determination letter can be retrieved at Maury 911's website on department letter head to be sent to the appropriate organization.

Adding Development Streets to GIS Map **\$500.00 per Street**

An approved Reserve Street geocoded onto Maury County 911 GIS map at time of final plat approval.

Single (Approved Reserved) Street – 500.00

2-10 (Approved Reserved) Streets – 500.00 per street added.

11 or more (Approved Reserved) Streets - A flat price of \$5000 per phase.

Maximum Developmental Cost of Subdivision Phase **\$7000.00**

This is to include address points and approved reserved street names of over 10 each to be placed on the GIS Map.

All fees are payable at Maury 911 office in forms of credit card or check. Checks are to be payable to Maury County 911.
