

This is a group of students from 7th through 12th grade. We meet each Sunday morning for study, worship and fellowship. We base our study on God's Word and talk about issues that are facing our youth today.

## CHILDREN'S SUNDAY SCHOOL GUIDE

Our children's Sunday School classes are broken down into age groups where they are ministered to with love and compassion on a level that encourages learning and understanding of the basic biblical principles that are being taught. Our goal is to provide a solid foundation for our children through biblical teaching and to create an adventurous environment which attracts and encourages children to seek God for themselves. It is our prayer that we will be able to prepare our children to know with confidence who God truly is and to establish a bold faith based relationship in Him.
