

J & M SECURITY SOLUTIONS

PROVIDING CLIENTS WITH COST-EFFECTIVE, CUSTOMIZED LEASING SOLUTIONS FOR J & M SECURITY SOLUTIONS EQUIPMENT, SOFTWARE, AND SERVICES.

WHY LEASE?

Preserve cash and bank lines for other business needs

Lower total cost of ownership with operating type lease structure

Life-cycle Management - Hedge against the risks and high costs associated with obsolete infrastructure

Ability to bundle equipment with software, licensing, and professional services into the lease

Flexibility to add or delete equipment/
Restructure the lease at any time

WHY VANTAGE?

TECHNOLOGY LEASING EXPERTS

We deliver customized, flexible leasing solutions, while being a strategic resource for our partners and clients.

WORLD-CLASS CUSTOMER SERVICE

Vantage puts our customers and partners first. With one primary contact, supported by a team of leasing professionals, we ensure you are taken care of.

RELATIONSHIP ORIENTATION

We embrace a true consultative approach, focusing on long-term partnerships rather than a one-time transaction.

FLEXIBILITY

Vantage provides a dynamic financial tool that changes as your equipment needs change.
