

*Father's Day*

*June 27, 2020*

*Dear Church Family,*

*In honor of "Father's Day", Pastor Arrington invited two individuals from our church family, Brother Spencer Chestnutt and Brother Rodney Willoughby, to tell us something about their fathers.*

*Both of the men told their stories via our "telephone conference" worship service on Sunday, June 21, 2020.*

*Just in case, you missed their stories or would like to read about their experiences with their fathers, I will prepare a booklet based on their "Father's Day - 2020" presentations.*

*The booklet will be placed in the Florine Ellis's library in the very near future.*

*Sincerely,*

*Evelyn Wright, Editor*
