

### **Sunday School Book Recipients:**

We wish to express appreciation for your consistent prayers as our ministry navigates these challenging times in our personal lives during this time of battling the Coronavirus. Someone once said, "you don't know what you have until it's gone." Of course, the Church is not "gone" in a literal sense, but not meeting together sure does make us appreciate what we had! Yet, the thing that keeps us going is the realization this is not a situation that will last forever. We are ALL in this together, but more than that, God is carrying us through the fire with His love and glory. We believe we will come out the other side in victory!

It is incumbent upon us to be good stewards and continue to study the word of God, the Bible. Therefore, we are providing you with a Sunday School Book, the KJV Standard LESSON COMMENTARY, in Large Print covering one year. This is a very good way to learn to rightfully divide the Word of Truth and develop our spiritual growth.

You have been selected because you have shown your love for FMSBC by your financial support and teleconference participation.

While things can be quite discouraging right now, we would encourage you to take some time each day, even if it's a few moments in the morning to read some scripture and pray about the day.
