## **Millhome Nursery & Greenhouses**

### **About Millhome Nursery & Greenhouses**

Millhome Nursery and Greenhouses officially opened its doors on May 19, 1997 in beautiful rural Elkhart Lake. We are designed to be a full service garden center and landscape company. The business site originally was a small dairy farm with rolling fields of flowing pasture lands with natural rock fences. In developing our site we tried to maintain the country feel by maintaining the dairy barn as part of our retail experience.

Millhome Nursery and Greenhouses continues to develop as a destination garden center supplying all of your gardening needs. Our many planted beds around the garden center provide a beautiful relaxing setting to inspire customers' gardening imagination.

### **Job Duties & Responsibilities**

- Planting and plant care. Care and maintain plants by watering, fertilizing, pruning, and deadheading as needed
- Learn plant identification and characteristics
- Assist and inspire customers to choose plants, gift/gardening items, landscaping supplies and materials
- Process all customer transactions quickly & accurately, including; cash, check, and credit cards
- Use creativity to help design and setup displays in the garden center, nursery and greenhouse areas as requested
- Take pride in keeping all areas of the company clean and organized

### **Skills & Qualifications**

- Plant experience desired, but will train
- Must have a strong work ethic, be self-motivated, honest and trustworthy
