OPERATION BACKPACK: COMPLETE!

We were blown away by the amount of donations received for our USO Backpack donation drive for our local Coast Guard and 3-265th Air Defense Artillery Families!! The pictures below don't even come close to showing the amount of donations received. Not only were we able to fill the backpacks of the 32 local kids, but we were able to pay it forward to 3 local schools/outreach programs! Thank you to all who donated items and those that were able to help fill the backpacks!!

On Saturday, August 3rd, I had the opportunity to visit MacDill Air Force Base to volunteer for their Back To School Fair with the USO! I had such a great time seeing all the smiles on the kids faces as they filled their backpacks. So many military families impacted by this great event!
