VACATION BIBLE SCHOOL 2020

Bethel UCC • Immanuel UCC • St. Peter's UCC

We welcome the families of our church communities to take part in a special "virtual" Vacation Bible School to be held July 27-August 2.

Leaders from three area churches will be hosting a "virtual" Vacation Bible School series featuring the theme "God's Wide Circle." During the week, we will offer daily video lessons, including Bible stories, prayers, songs and fun activities to engage our children. The theme emphasizes how God's circle is big enough to include everyone.

Families will be asked to sign up for the VBS program so we can put together Activity Bags for each of the children that will participate. Those bags will be made available on week prior to the start.

Lessons will premier on "YouTube" and will be available at any time after that's convenient for your family.

We will also hold two "ZOOM" gatherings throughout the week, to add a sense of community togetherness for VBS.
