

Dear Parents,

This is the packet of information you will receive on a weekly basis to support our Virtual Sunday School lessons.

The first page is a family activity page designed for all ages.

Please take time to ponder and pray with your children  
Share the suggested activities if they appeal to you.

The coloring and activity pages are specifically designed for age groups, but kids can use them any way they wish.

You should be able to print out copies for them to enjoy.

We appreciate that you are all being considerate of the amount of paper and printing we would be doing in advance. This will help minimize waste.

If you need anything, don't hesitate to text our coordinators.

If you know of other families that wish to take part, please let us know.

Don't hesitate to share the video, share your comments on You Tube if you like.

Thanks for your support.
