This week's Bible story is

Ten Men Healed

from Luke 17:11-19

Thank God for healing!

Ask each other what you remember about:

- Toes
- Jesus
- Ten Men
- Leprosy
- Thank you!

In the Bible, leprosy is the term for any skin condition. People with leprosy had to live outside the community to prevent disease spread and because they were considered "unclean" by religious authorities.
