

Redefine Barber and Beauty Academy **Mission, Vision and Purpose**

Redefine Barber & Beauty Academy will strive to be a customer service centered influential cosmetology and barber school which will make a tremendous impact on the lives of students in the Richmond Metropolitan area. The school will attract students and customers from every arena of community life. The success of the school will be directly related to its commitment to developing knowledgeable and skilled students by the fostering and building the belief that each student has a place in the professional hair care community. A major focus of the school's mission is to support students in fulfilling their personal ambition. Redefine Barber & Beauty Academy believes that as students are educated, the school will become productive, and the community as a whole is edified.

Conveniently located within reach of the city of Richmond, Redefine Barber & Beauty Academy will stand ready to bring modeled excellent customer service and professionalism to the city. Its comprehensive offering of service-based programs will educate the whole of society, especially those who are considered the "castaways" or "social outcast". Curriculum designed quality programs, knowledgeable instructors and creating a climate, culture, and environment conducive to learning will prepare students caught up in the traps of life.

Redefine Barber & Beauty Academy will create student-based work opportunities for those who will transform from economical despair into an opportunity to provide for themselves and their families. Though its well established training methodology, the school will teach how to enhance the quality of life by being productive citizens who are able and willing to develop as valuable and contributing resource to their communities.

Credit related activities for students will provide opportunities for citizenship development, training for social skills and leadership development. Activities such as volunteered grooming services, professional seminars and workshops will combat boredom and war against the temptations to become involved in unwholesome activities that confront many people in today's society.

A service community economic development class will provide a myriad of business opportunities for student in the Richmond Metropolitan area. This specialized class will provide professional training and technical assistance to help asses' business feasibility, commission, or wage options for transitioning students. In addition, this class will provide job skill training and job placement.

Ultimately, Redefine Barber & Beauty Academy will be a place where students will learn to serve. Deeply established in the code of ethics, professional conduct, and supreme customer services, it will be the results of the student cultivated gifts and talents that will guarantee a high level of success. The work of the school supported by well-trained instructors and administrators, and the establishment of an endowment which has been funded through various credible agencies and the community will continue to meet the economic needs of the school.
