## **PHYSICAL DEMANDS**

The following is a list of physical demands you might encounter as a cosmetologist. It is important for you to be aware of the physical requirements.

- Body Position:** Standing for long periods of time is required. Please consult your physician or chiropractor if you have had any prior back stress or pain.
- Hands:** Continuous exposure to water, cleansing agents, and chemicals. Special hand care products are recommended for all service professionals.
- Chemicals:** Working with many different types of chemicals. If you have any known allergies or experience allergies or sensitivities to product ingredients, please consult your physician to ensure safety.

## **ENROLLMENT**

EAAC is a privately-owned school that has partnered with Eastern Arizona College (EAC) to provide an affordable, high quality cosmetology program whose students cannot only obtain a cosmetology license, but also an associate degree. Students must be accepted into the program before registration can occur. Enrollment occurs year-round with start dates in August and January. Prospective students are encouraged to attend the Call for Admissions and Fashion Hair Extravaganza held in the fall and spring.

Registration for classes will be completed at Eastern Arizona College on scheduled dates. Private enrollment, through the Academy, is available and discounts may apply. However, students will not be eligible for financial aid and college credits are not earned.

## **FINANCIAL AID**

Complete an online, Free Application for Federal Student Aid (FAFSA) form at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) to determine if you are eligible for financial aid. When applying, utilize Eastern Arizona College's FAFSA Code #001073. Contact EAC's Financial Aid Office (928) 428-8287 with any financial aid questions. If additional Financial Aid assistance is needed, contact James Pryor at (928) 428-8902 or [james.pryor@eac.edu](mailto:james.pryor@eac.edu).

## **SCHOLARSHIP**

Students not eligible for financial aid will be provided an EAAC scholarship. Full-time cosmetology students receive a \$1,500 scholarship per semester for a maximum of \$3,000 and part-time students (enrolled in 6-11 credits) receive a \$750 scholarship per semester for a maximum of \$3,000. Full-time nail technician students receive a \$1,000 scholarship for a maximum of \$1,000 and part-time students (enrolled in 6-11 credits) receive a \$500 scholarship per semester for a maximum of \$1,000. Full-time hairstyling students receive a \$1,000 scholarship for a maximum of \$1,000 and part-time students (enrolled in 6-11 credits) receive a \$500 scholarship per semester for a maximum of \$1,000.

Financial aid "partial qualifiers" may be eligible for a partial scholarship. The amount awarded will equal the difference between the EAAC scholarship amount allotted and the financial aid received. For example, a full-time cosmetology student qualifying for \$500 financial aid would be eligible for a \$1,000 Academy scholarship. Full financial aid qualifiers are not eligible for this scholarship.

Students who have participated in the cosmetology program previously through GIFT may be eligible for a portion of the scholarship and should contact the Dean of Curriculum and Instruction assigned the cosmetology program.

## **TUITION/WAIVERS/FEES**

Out-of-state residents may be eligible for a tuition discount. The Western Undergraduate Exchange (WUE) waiver is available to qualified applicants residing in 1 of 14 participating western states. Students may also apply for a limited number of New Mexico waivers which offers their residents Arizona in-state tuition fees. Information is available online at [www.eac.edu](http://www.eac.edu) or by contacting EAC's Records and Registration Office at (928) 428-8270 (WUE waiver) or EAC's Scholarship Office at (928) 428-8287 (New Mexico Tuition Waiver).
