Payment Process / Policies and FAQs

The success of our program and club is dependent on our players, their families, and their commitment to the program. We expect all players and parents to complete all required paperwork in a timely fashion, attend team meetings, pay all fees promptly, attend league games, tournaments, and practices. We understand life happens and ask that you communicate with us so that we may help in any way by providing the necessary information so that your player/s may continue to play the sport they love.

**** Player registration fees are non-refundable; all other fees will be handled on a case-by-case basis and are not guaranteed. ****

Payment Schedule

Registration Fee – At time of signing players' packet

Jersey Kit – July 15th or as soon as possible during the season

Club Membership – August 1st the start of the season or 1 month after registration

Payment Plan Policy

During the season, any player may join at any time but must pay the registration fee and fill out required documents for registration to be considered complete. Membership and Jersey kit will be due 1 month after registration is completed or may be paid beforehand. A Jersey kit is a required uniform for games and tournaments. All payment plan fees will be due by the **15th** of each month and any fees after the **1st** of the following month will be considered in bad standing resulting in player suspension. We do not want to be put in a position to hinder player development or suspend players. We ask families to promptly communicate with us to work out any financial issues.

******In the event a payment plan is needed for club membership fee only, parents must contact our Treasurer to work out a payment plan. Payment plans for one single player will be a maximum of 4 payments depending on when the player has officially been registered with the club. No payment plans are to exceed past the month of March. ******

The payment plan policy will be strictly enforced. Please check your emails for payment reminders. Monthly payments are your responsibility to make based on the agreed schedule between parent and Treasurer. Player accounts must be kept current. Our Treasurer is not responsible for sending text messages out as reminders. All parents have access to their player accounts on PlayMetrics to which you can make payments through. Be advised, PlayMetrics does charge a transaction fee. Fees may also be paid by cash or check. In last-minute emergency situations, payments can be made via Zelle to avoid player suspension.

Unpaid fees – will result in player suspension A \$5 late fee will be placed on invoices paid after the due date for membership payments and tournament fees.

Tournament Fees – Fees vary depending on what tournaments coaches enter the teams in. Every team will participate in tournaments. All players are required to participate in tournaments as part of their commitment as a club player. Tournament fees are divided equally among the entire team. All club players will be invoiced for tournament fees **regardless** of attendance. Players must have their tournament fees paid by the deadline provided. If you do not participate in the tournament, that **does not** exclude you from paying the tournament fee. No Exceptions.

Please contact our Treasurer for any questions regarding fees or payment plans
