Learn By Heart Schedule

Learn-By-Heart: We believe that memory work is a tool that forms a student’s daily spiritual life, and provides spiritual strength and guidance for life. Not just for the week, but by heart, that is by faith, thus the entire Small Catechism is repeated yearly for lifelong learning.

- a. The students may recite to Pastor or DCE or complete the fill-in-the-blank by 6:15pm (differing during Advent/Lent).
- b. Youth may also recite or complete any learn-by-heart Pastor or DCE Sundays, please schedule ahead so they can plan on this and finishing prior to 10 minutes before worship or after JAM/Sunday School.
- c. By arrangement with Pastor or Susie. Most off Weds. Pastor Amen or Susie are around.

Below is a guideline for keeping pace throughout the year as well as deadlines for each section. If you would like to see your child’s progress of workbook, please ask Pastor or Susie.
