

We need you!

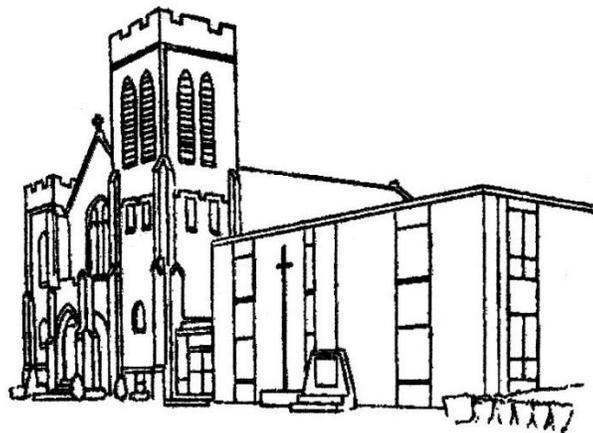

- We ask that you pray for our congregation as we move through this uncertain time as our government requests "social distancing" to stop the spread of coronavirus. Uphold in your prayers our healthcare workers, first responders, civic leaders, and those most vulnerable.
- We also ask that you reach out to your neighbors to offer your assistance if you are able to do so. Please make telephone calls to your fellow church members as well as your neighbors.

If you need grocery orders picked up from Coborn's or Hank's or prescriptions from local drug stores delivered to your home, please call us at 825-5271.

- Our weekly bulletin and midweek worship order for our Lenten services will be posted on our website and may be downloaded for use during the live stream of our worship services.
- St. Paul Lutheran Church worship Services are being broadcast live on Facebook, our Sunday worship service is also aired on KLOH at 11:30 a.m. and broadcast on the local cable providers on Thursdays at 9 a.m., 1 p.m., and 6 p.m. "Mainstreet Living" broadcasts on KDLT Sioux Falls at 10 a.m. on Sundays. The TV broadcast is also available on the website: www.mainstreetliving.com
- Finally, we ask that you prayerfully consider your financial giving through this time. St. Paul Lutheran Church remains active in ministry and mission, pastor is still visiting the sick, Mariah is sending Sunday school lessons home via email and facetime with the youth on various media, and your church's ministry and mission depend upon your regular support.

Please mail your regular offerings to St. Paul Lutheran Church, 621 West Main St., Pipestone or drop them off in person during office hours. Your bank can also help you with electronic transfers.

Prayer in Time of Great Sickness: Dear Father in heaven, You have promised to be with us always with Your comfort, strength, peace and protection. We thank and praise You for Your goodness and mercy. We humbly come before You during this time of national and international distress asking You to work mightily to curb the advance of this virus that has already attacked thousands. Be with those here in our community and around the world who are doing what is humanly possible to stop its devastating advance, yet we know that no remedy, measure or treatment will be effective without Your blessing. Therefore, we ask You to bless all those efforts. And grant to us peace, courage and strength of faith, so that we are continually confident of Your love and goodness. We know that Your ways are not our ways, that Your ways are always best, and so we entrust ourselves, our loved ones and this current situation into Your hands, trusting in Your mercy. In the name of Jesus Christ, our Lord. Amen!
