Thought for the Day

Romans 3:20 “For by works of the law no human being will be justified in his sight, since through the law comes knowledge of sin.” The Law of God is good – it’s just that we sinners cannot save ourselves by the Law. The Law shows us God’s holiness and thus our own sin. Salvation is a free gift of God. It is the only way we could ever be saved. And now in Christ we can look at the Law and see it in a new light as well: as a guide for how to live a godly life in thanksgiving to God for His gracious forgiveness in Christ.
